## INTRODUCTION

### About your Personal Reading

This reading was composed for you personally, Jennifer, and is based on your full name at birth, your date of birth, and the name you now use to introduce yourself. Please check your birth data on the title page to make sure the names and date of birth used are correct.

If you have two or more middle names or last names, you may find the names strung together. This is necessary to make Transit and Essence cycles function correctly. For example, the name John Patrick Henry Hancock would appear on the title page as John PatrickHenry Hancock.

Jennifer, your Personal Numerology Reading describes all aspects of your chart as they are understood in numerology, accurately and in-depth.

Each chapter starts with a short introduction telling you where this particular number is found and how it affects you. This is followed by the number itself. Often, you will find a double digit number followed by a single digit.

The meaning of your number is then explained in easy to read language. Jennifer, you don't need to know anything about numerology to be able to enjoy and benefit from this reading.

I hope you will enjoy your reading.

## BIRTHDAY

The day you were born bears great significance in understanding who you are and where your talents lie. The day of birth indicates some special talent you possess. It is a gift to you that will help you along your Life's Path. Your day of birth is one of your four core numbers -- the Life Path, Expression, and Heart's Desire being the other three. It is the least significant of the four core numbers, but perhaps the most finite, in that it reveals a specific ability you possess in a marked degree.

### ***Your Birthday is 21***

You are highly creative, with a strong will to succeed. Jennifer, you have a social gift. You get along well with others and generally enjoy people

immensely.

Your imagination is highly charged. It reveals itself in everything you do, from your sparkling conversation to your most prized projects. You are quick witted and can think on your feet. Both your mind and body are vital and seemingly radiating with life.

You are talented in writing and verbal skills. You can succeed as an artist, writer, or editor.

You are inspiring and enthusiastic. You uplift social gatherings and often serve as the life of the party. You are an excellent salesman.

Jennifer, your challenge is to ground and focus your energies deeply in a specific field or endeavor. You must develop yourself and your talents in order to make the most of your life. Otherwise, you can easily let charm and wit pass for outstanding work, thus wasting your talents.

You can be nervous and even given to paranoia, especially when your nerves become frayed or your imagination runs out of control.

Your love runs deep and you can be passionate. More often than not, however, you are on the receiving end of affection, simply because people are charmed by you or attracted to your charismatic personality.

## **EXPRESSION**

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your

being.

### ***Your Expression is 22/4***

Jennifer, you are the master builder. You possess a unique gift for perceiving something in the archetypal world -- infinite and divine -- and making some semblance of it manifest on earth.

You dream big. Every goal you have is enormous in scope. You dream of creating something that will last centuries. Your desire is to change history. You want to make your mark on human civilization. There is no limit to what you are capable of, nor any on what you dream of doing. Of all the numbers, yours possesses the greatest potential for accomplishment. At the same time, you possess the greatest liability. What it will require of you to fulfill your potential is nothing less than your entire life.

Even as a child, you have had a vague sense of what you must do and have always been deeply intimidated by the awesomeness of your task. You have felt the intimations of your power. But these feelings have caused you to feel paralyzed by doubt.

Jennifer, you must advance well into adulthood before you can begin to make use of your power and truly commit to your destiny.

The promise and reward of your Expression is equaled only by the degree of difficulty and struggle necessary to realize its potential.

The number 22 offers those who fully realize it a chance to jump into another dimension in which your day is expanded, your capacity to create and inspire multiplied, your ability to perform lasting service to mankind extended beyond the normal limits of one's life.

You may turn away from the challenge you face for the safety of limitations and practical considerations of the 4 (22 reduces to a 4 expression). You may not want to take the great risks that the 22 presents. Instead, you may try to content yourself with limited achievements, telling yourself that your big dreams are unrealistic fantasies. This can cause some frustration, because on some level you feel called to greater things. Nevertheless, your chances to be successful, even when you limit your efforts, are still good.

You have great leadership abilities. You are persistent. You also refuse to back down in the face of a challenge. You like to work in large enterprises and on an international scale. Borders or racial identities mean little to you. You see yourself as a world citizen, playing on the planet, and refuse to be limited by petty conventions.

Jennifer, you should marry someone who does not depend on you for

entertainment, rather choose a spouse who can participate with you but provide an independent contribution to your goals.

You are blessed with a farsighted vision. Your efforts are directed toward great accomplishments and long-standing progress. You deeply want to create a great edifice that will make a lasting contribution, and you have all the tools necessary to do just that.

## **HEART'S DESIRE**

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

### ***Your Heart's Desire is 17/8***

Jennifer, you want success in its fullest meaning -- wealth, power, and material comforts. You have an enormous ambition. You dream of big projects, great undertakings, and rewards.

You are a visionary. You see the horizon and the promise. In general, you also see the methods necessary to fulfill that promise. But you are not especially good with details; you need others to help you deal with the smaller parts of the picture. Your challenge is to make full use of the full spectrum of your abilities, as indicated by your other core numbers. In the same way, you must bring forth the best from others and orchestrate their talents toward the realization of your vision. In short, you must lead by example, demonstrating the standard for commitment, determination, and excellence.

All of this requires effort on your part. You will meet with obstacles and

difficulties. Your determination and commitment will be tested. But you have the power to overcome every obstacle you face and accomplish the goal you've set for yourself.

Jennifer, your task in life is to learn to use power in refined and elevated ways. The expression and use of power is directly related to one's personal evolution. The more primitive uses of power rest with violence and the threat of deprivation. The higher expressions depend upon your capacity to care for and nourish the people and projects in your charge, giving each exactly what is needed at the appropriate time and in appropriate amounts.

You have a creative mind and an unusual approach to business and problem-solving.

You need to cultivate your ability to evaluate others.

It is essential for you to be involved in a project that challenges you and offers the potential for rewards. When you are uninvolved or unoccupied with a worthwhile task, you can become deeply despondent, depressed, and frustrated. You are the perfect example of the old cliché, "Idle hands are the devil's workshop." Without a challenge, you can lose balance in life and become selfish, cruel, and even self-destructive. Disappointments become shattering, causing terrible consequences in self-image and self-love.

Perspective is everything for you. You have a natural talent for balancing the spiritual and material planes.

Jennifer, you need to cultivate courage and stamina. Courage is a choice. You need to decide to be brave in the face of fear. A balanced 8 is among the most powerful and satisfying of numbers. It is the spirit of the true survivor, able to bounce back and achieve a greater victory.

## **PERSONALITY**

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not

want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

### ***Your Personality is 23/5***

Jennifer, you are a stimulating person. You brighten social gatherings with your fresh and original ideas. Your conversation tends to be sprinkled with novelty and wit.

You have a quick tongue and charisma. You are probably an excellent salesman. There is a lot of nervous energy within you looking for an outlet.

You love your freedom and you see this life as an ongoing adventure. You are upbeat and optimistic. This is infectious for those you meet. As a result, you inspire others.

You have a strong and attractive body, with good muscle tone. Your movements are supple, graceful, and athletic.

Jennifer, your bane is that you love to indulge your senses with food and drink and can easily gain weight. You have an appetite for anything that stimulates the senses -- sex, food, alcohol, and drugs. Discipline is a necessity for you. The negative side of a 5 Personality Number can give rise to an addictive personality.

You like to dress fashionably and can get away with more colorful clothes. However, you should be aware of the value of quality and the power of modesty.

You are a little irresponsible and quick in satisfying your sensual urges. You are attractive and that, coupled with your innate ability to promote yourself, makes it easy for you to satisfy your desire for new and exciting relationships.

You have a kind of swashbuckling personality. People see you as the adventurer that you are. They expect the unexpected from you, and when they don't you often surprise them.

You have a quick and eclectic mind. You attract information from all directions, but you can be a bit superficial, skimming over the surface of a wide diversity of subjects. This may cause you to be a bit of a dilettante. You can get away with it much of the time, but for your own success and happiness, you should try to ground knowledge and deepen your understanding.

Jennifer, your versatility and adaptability make you capable of getting the most out of virtually every opportunity in life. You decide quickly on a course of action and your timing is usually good. You radiate with the potential for success, which attracts others who can further you along your path.

## **PLANE OF EXPRESSION MENTAL**

### ***Your Plane of Expression Mental is 13/4***

Jennifer, you are a fine planner with a good eye for details. You are very conscientious and practical. However, you can get lost in the details of a project and lose sight of the larger picture.

You must learn tact and give others -- especially family members -- room to live according to their own standards. You can be somewhat domineering, especially when you are concerned about their general well-being.

## **PLANE OF EXPRESSION EMOTIONAL**

### ***Your Plane of Expression Emotional is 28/1***

Jennifer, you are highly emotional, even mercurial. You experience much nervous tension and can be high strung. You are roused to love and anger quickly. You can be stubborn and proud. You can become personally and emotionally identified with a particular project or person to the point that you become deeply attached and even possessive.

You are demanding in close associations, especially in love and marriage. If not careful, you can easily be domineering. You need a strong willed yet flexible person as a spouse.
