INTRODUCTION

About your Personal Reading

This reading was composed for you personally, Matthew, and is based on your full name at birth, your date of birth, and the name you now use to introduce yourself. Please check your birth data on the title page to make sure the names and date of birth used are correct.

If you have two or more middle names or last names, you may find the names strung together. This is necessary to make Transit and Essence cycles function correctly. For example, the name John Patrick Henry Hancock would appear on the title page as John PatrickHenry Hancock.

Matthew, your Personal Numerology Reading describes all aspects of your chart as they are understood in numerology, accurately and in-depth.

Each chapter starts with a short introduction telling you where this particular number is found and how it affects you. This is followed by the number itself. Often, you will find a double digit number followed by a single digit.

The meaning of your number is then explained in easy to read language. Matthew, you don't need to know anything about numerology to be able to enjoy and benefit from this reading.

I hope you will enjoy your reading.

BIRTHDAY

The day you were born bears great significance in understanding who you are and where your talents lie. The day of birth indicates some special talent you possess. It is a gift to you that will help you along your Life's Path. Your day of birth is one of your four core numbers -- the Life Path, Expression, and Heart's Desire being the other three. It is the least significant of the four core numbers, but perhaps the most finite, in that it reveals a specific ability you possess in a marked degree.

Your Birthday is 4

You are a hard worker and a conscientious person. You are precise and take great care in what you do. You are highly-principled, disciplined, and

responsible. Matthew, you take your obligations very seriously. You are highly ethical.

You can be proud and upright, but, conversely, you are not particularly arrogant. You have compassion for people. You tend to persevere in the face of an obstacle or personality problem.

Matthew, you love your family and make a wonderful mate. Yet, you are not overly emotional, nor very demonstrative of your love. You tend to understate your affections.

You are constantly focused on the foundations of your life -- whether it is in business, career, or family matters, you take care of the basics. You are highly rational. You are not one for pie-in-the-sky solutions to problems. Nor are you given to get-rich-quick schemes. Yours is the slow, patient approach, sound and secure.

You also like to be in nature.

You are a natural organizer and manager. People -- especially relatives and co-workers -- tend to rely on you. Matthew, you are perceived as the rock of any endeavor.

You can be stubborn and rigid. Your nature is to dig in and wait. This can close you off from solutions or creative ideas. You must work at being more flexible.

You often experience frustrations and repression. You are not an emotional person, and perhaps you don't fully understand the emotional realm. This is the reason you can be rather tactless at times.

Be careful to avoid excess work and missing out at smelling the roses of life.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the

experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

Your Expression is 38/2

Matthew, yours is the most highly charged Expression number of all. You are like a lightning rod, attracting powerful ideas, intuitions, and even psychic information like unpredictable bolts.

You are a powerful presence without any awareness on your part of having personal power. You are a channel for higher vibrations. But in order to be emotionally and psychologically at peace, you must learn to control that flow of energy. You possess a bridge between the unconscious and the conscious. The trouble is that the unconscious is an infinite resource, while consciousness by definition is a limited arena. The two are therefore at odds until they can learn to live in harmony with each other. This is where control comes in. Until you are able to control the flow of energy from this infinite source, you may feel like a victim of its whimsy, thrown about by emotional turmoil and nervous tensions.

Matthew, you have always sensed that you are different, but it was an indefinable feeling. You are enormously sensitive and aware, especially as a child. This made you vulnerable to all conflicts and painful situations. For most of your upbringing, however, you did not realize that other people did not possess the same sensitivity, nor did they see the same things you were seeing. This caused a great reservoir of emotion that was dammed up behind an inability to express your feelings, even to yourself. For this reason, most 11 Expressions have a difficult childhood. Your extreme sensitivity made you very shy as a child. This usually manifests in adulthood as hesitation and acute vulnerability. You are very careful about sharing your feelings with others and choosing your friends.

You compensated for your sense of separation in childhood by creating an elaborate fantasy world. You daydreamed more than other children. You have a lively imagination and even in adulthood have a hard time separating reality from fantasy.

Matthew, your challenge is to bring forth your primitive, earthy strength. You need to be grounded in order to deal with your lightning bolts. The more you are able to call upon your inherent human strength, the greater your capacity to take advantage of your extremely sensitive awareness. Once this is accomplished, your antagonist becomes your benefactor.

You are highly emotional and dependent upon relationships. Emotionally, you go up and down with the fortunes of your love life.

You are idealistic, impractical, and at times disorderly. You are often unrealistic in your expectations.

Your reasons for doing things are usually born of a mixture of logic, emotion, and intuition, which can rarely be explained satisfactorily to your more rational associates.

The 11 Expression is the number most dependent upon other core numbers in your chart for insight into your vocation. The 11 charges every area it enters, but it needs a grounding vocation and discipline to be effective.

A balanced 11 is one of the most unique and impressive of all people. It is gifted with insight and illumination, which it can transmit to others. This makes you a natural teacher in whatever area you enter.

HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

Your Heart's Desire is 13/4

You like to live a stable, well organized life. You dislike sudden changes. You prefer orderliness in all things. You have a systematic mind that is reflected in everything you do. You can establish and maintain a routine. You are exacting with details and quite thorough.

You like to carefully analyze a problem and then tackle it in a logical and practical approach. You want to be dependable, a rock of strength and an example of discipline for others.

Work is central to your life, but you may have a tendency to overdo it; you can easily become a workaholic if you're not careful. You have a great deal of energy and can accomplish a lot.

You want a family and you are a good parent. You may carry the discipline and the need for orderliness too far, especially in your family, making children and spouse feel oppressed and limited. Flexibility is your key to harmony and balance in life. For you, structure is more important than freedom, which you tend to interpret as chaos. But others do not have your need for well defined systems, in fact, they may feel deeply inhibited and uncomfortable with it. The peace you get from orderliness may represent a prison to someone else.

Matthew, you need and want much love, but you are not very demonstrative. You can be a little rigid and stubborn.

You are honest and unpretentious. You detest liars and affectations.

You can be very determined and tenacious. You are the bedrock of any enterprise. You have the courage to go into the nitty gritty of a problem and come up with a solution. Try not to lose sight of the larger picture and dream while you plumb the depths of the bottom line.

PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not

want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

Your Personality is 7

Matthew, you seem mysterious and different. People see you as serious and studious. You are highly independent and self-sufficient. Your exceptional intelligence and wisdom are quickly noticed, people respect you. You are not one to attract people on the basis of your warmth or compassion -- though you may be loaded with both -- but because of your obvious insight into life's mysteries.

You are hard to get to know. You are often withdrawn. It is common for people to see your focus turn inside of yourself in the middle of a conversation.

You have the makings of an intellectual and an aristocrat but you have to guard against arrogance and an attitude of, "I've got it all figured out".

There have been periods in your life when you had little concern for your clothing or fashion, while at other times you are very aware of your clothing and use it to make a specific impression.

You appear dignified no matter how you dress., but a well groomed seven with a touch of dash definitely has an advantage. Your confidence increases when you know you are well dressed.

Matthew, you are recognized as spiritual and religious, with your very own ideas regarding the purpose of life and the Creator.

You are an inspired speaker, but only when discussing subjects that really interest you. Otherwise, you are not one for chatter.

Your love of knowledge and wisdom shows.

PLANE OF EXPRESSION MENTAL

Your Plane of Expression Mental is 22/4

Matthew, you are a fine planner with a good eye for details. You are very conscientious and practical. However, you can get lost in the details of a project and lose sight of the larger picture.

You must learn tact and give others -- especially family members -- room

to live according to their own standards. You can be somewhat domineering, especially when you are concerned about their general well-being.

PLANE OF EXPRESSION EMOTIONAL

Your Plane of Expression Emotional is 19/1
