INTRODUCTION

About your Personal Reading

This reading was composed for you personally, Abe, and is based on your full name at birth, your date of birth, and the name you now use to introduce yourself. Please check your birth data on the title page to make sure the names and date of birth used are correct.

If you have two or more middle names or last names, you may find the names strung together. This is necessary to make Transit and Essence cycles function correctly. For example, the name John Patrick Henry Hancock would appear on the title page as John PatrickHenry Hancock.

Abe, your Personal Numerology Reading describes all aspects of your chart as they are understood in numerology, accurately and in-depth.

Each chapter starts with a short introduction telling you where this particular number is found and how it affects you. This is followed by the number itself. Often, you will find a double digit number followed by a single digit.

The meaning of your number is then explained in easy to read language. Abe, you don't need to know anything about numerology to be able to enjoy and benefit from this reading.

I hope you will enjoy your reading.

LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in

time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Abe, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality Chart!

Your Life Path is 14/5

The key to your personality is freedom. Abe, you love travel, adventure, variety and meeting new people. You possess the curiosity of a cat and long to experience all of life. You love to be involved in several things at the same time as long as you are not tied down to any one area. You like change, new things and new horizons. You make friends easily; your personality is upbeat and often inspiring attracting people from all walks of life. You have a way of words and an uncanny ability to motivate others. You can be in sales, advertising, publicity, promotion, politics or any profession that requires your communication skills and understanding of

people. You likely lack discipline and order. You can also be impulsive, doing or expressing things you regret later.

Abe, you are sensual and love to taste all of life. Sex, food and other sensory experiences are essential to the enjoyment of your life. You find it difficult to commit to one relationship, but once committed you can be as faithful as an old dog. You are multi-talented and possess a variety of diverse abilities. However, discipline and focus are the true keys to your success. Without these many of the tasks you begin will remain unfinished and you will fail to realize the true fruits of your abilities. With hard work and perseverance the sky is the limit. You may have been perceived as a wild child by adults and a source of concern by your family. However, do not be obliged to hurry your choice of career. You are often a late-bloomer and need to experience life before you can truly know and commit to your heart's desire. Your challenge is to learn the true meaning of freedom. Change is constant in your world requiring adaptability and courage. Try to maintain an exercise program, keep your body in shape and limber. The flexibility and durability of your body will promote security and confidence within you. You yearn for freedom and self-employment attracts you powerfully. Your challenge is to settle into one area to cultivate your ability sufficiently to earn a living and attain success. Once you find your niche the motivation and inspiration you supply others will bring you much in return, you will find your friends and colleagues supporting and promoting you on the road to success.

Abe, your 14 Life Path contains a Karmic Debt. This 14 Karmic Debt arises from previous lifetimes during which human freedom has been abused. Those with a 14 Karmic Debt are forced to adapt to ever-changing circumstances and unexpected occurrences. There is an acute danger of falling victim to abuse of drugs, alcohol, and

overindulgence in sensual pleasures, such as food and sex. You must put the reins on yourself. Modesty in all affairs is crucial to overcoming this Karmic Debt.

Also important is the need to maintain order in life, and to establish one's own emotional stability. You must also be willing to adapt to the unexpected occurrences of life, all the while maintaining your focus on your goals and dreams. Flexibility and adaptability are at the very core of this struggle. Orderliness in one's immediate environment is crucial to maintaining clarity and focus. Mental and emotional stability must be attained in order to avoid being thrown about by the changing fortunes in the external environment.

But the key to the 14 Karmic Debt is commitment. Life will resemble a roller coaster ride, but it will always travel in the right direction if one's heart is set on what is true and good. Set yourself a high goal, maintain order wherever possible in your life, avoid excessive sensory indulgence, and maintain faith. Above all, do not give up on your dreams and goals. Those with the 14 Karmic Debt will experience life to the fullest, and as long as they maintain a high dream, they will achieve success and great spiritual development.

BIRTHDAY

The day you were born bears great significance in understanding who you are and where your talents lie. The day of birth indicates some special talent you possess. It is a gift to you that will help you along your Life's Path. Your day of birth is one of your four core numbers -- the Life Path, Expression, and Heart's Desire being the other three. It is the least significant of the four core numbers, but perhaps the most finite, in that it reveals a specific ability you possess in a marked degree.

Your Birthday is 12

You possess a high degree of artistic talent that emerges in virtually everything you take seriously, your home, your cooking, the way you express yourself, and any artistic endeavor you commit to.

Abe, you are highly imaginative and quick-witted. You can be the life of a party, entertaining people with stories, jokes, or witty remarks. You have plenty of vitality, your body heals quicker than most people's.

You are especially talented in the verbal and writing skills. These areas, as well as acting and other performing arts, should be cultivated.

You have a great deal of enthusiasm and make an excellent salesperson. You can make the best out of a given situation and are easily satisfied.

You are emotional, friendly, sociable, and affectionate. You can also be moody and given to self-indulgence, especially when it comes to feelings of depression or self-pity.

Be careful not to waste time and energy on trivial matters and keep your priorities in perspective. The keys to your success are commitment and discipline. Abe, you must learn to focus your considerable creativity in a given area or field. This will keep from scattering your energies in an endless number of areas.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at

fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

Your Expression is 15/6

Abe, you are a loving and caring individual with a tendency to put the needs of others before those of yourself. You are responsible and trustworthy with a high regard for justice and honesty. Duty will follow you all your life and sometimes feel a little too much of a burden.

You are artistic. Harmony and beauty are high on your list of priorities. You have musical talent but the creative talents of a 6 are sometimes left undeveloped or suppressed as a result of your tendency to sacrifice your time and pleasure to the service of others. You are highly creative in all areas of life, particularly the visual. You

are also a talented business person and can work methodically toward the realization of your goals.

You have a natural gift with flowers, gardens, and animals. Your love of children has caused numerologists to dub you the "Cosmic Mother or Cosmic Father". The very shape of the 6 resembles and symbolizes "Pregnant with Love".

You are a natural counselor and healer. But you must be careful not to interfere with the freedom of others. You are recognized as an idealist, mainly regarding marriage, friendships and humanity.

The 6 is the most balanced of all numbers, but also contains within itself the greatest paradoxes. It is as if opposite tendencies were tenuously poised. Because of its gift for harmonizing these opposites, you are uniquely qualified to handle and integrate contradictions within yourself. It is for this reason that 6s so frequently find themselves in the role of healers or counselors, creating a peace between opposing points of view, or internal conflicts within the self.

While you can be very idealistic, there may also be a temptation to acquire beautiful objects by improper means. You must also guard against other meddlesome behavior and domestic tyranny, or always having to have your own way in a family dispute.

Conversely, you have it within yourself to understand another person's dilemma and come up with a creative solution. Your natural ability to give comfort and warmth can smooth over hurt feelings like a healing balm. You attract love and appreciation. And rightly so, because you give the same in return.

You make an outstanding teacher (especially young children or special education), healer, counselor social worker, psychologist, artist, designer, gardener, florist, and farmer. You can be successful in business, especially those that involve dealing with people.

HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

Your Heart's Desire is 9

Abe, you want to be of service to the world. Your deepest satisfaction comes from knowing that you have advanced the cause of humanity.

Your ideals are of the highest order. You are a perfectionist. You strive to make the world a utopia; to make each person's lot in life better; to become perfect yourself. One of your challenges in life is to strive toward your lofty goals and at the same time recognize the good you are doing.

You like and are fascinated by people from all walks of life. Human nature is a lifelong study for you. You are highly intuitive, but not an

especially good judge of character. You are a bit naive, as well, thinking perhaps that all people have the same values as you.

You dream of having the resources to immediately relieve the suffering of others, whether it is economic, physical, or psychological.

You are gifted with a good mind and a great deal of wisdom, which makes you a natural teacher, counselor, or healer.

As much as you desire to be of service to others, you also crave fame and the approval of the masses. Much of the energy you expend in life is directed toward putting yourself before an audience, most often as a salesperson whose product provides some social good; as a philanthropist; or an artist.

Abe, you are attracted to the arts as a vocation, especially as an actor, photographer, or writer. But whatever your profession, any involvement in the arts, even as a hobby, will provide you with a deep and lasting satisfaction.

Secretly, you dream of having a big impact on the world. Others may see this as egotism, especially when you are still young. But your concern for others is genuine. You must apply yourself in this direction in order to become psychologically whole and personally satisfied.

Your vision is on the crowds of people, which can cause you to overlook the needs of those closest to you. You need personal love as well, but have a tendency to put your needs in the background. Still, you are a loving person, and only need to be reminded to direct and demonstrate that love to those nearby. If, however, you are focused exclusively on the masses, people will perceive you as distant and a bit aloof.

You are emotional, and sensitive. You can also be moody and critical. You have high expectations for yourself and others. This can cause you much anger when your expectations are unfulfilled. One

of your most important life lessons is to forgive.

Because you are striving hard to attain high ideals, you may think of yourself as superior to others. Arrogance is a trap many 9s fall into. The danger is that arrogance cuts you off from the thing you love the most: people.

Abe, your happiness and contentment are therefore highly dependent on the ease with which you are able to serve and influence mankind.

It is the paradox of your Heart's Desire that you receive by giving. Both your material success and spiritual satisfaction are made possible through service and sacrifice to others.

PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest

friends and relatives have trouble describing how they see us.

Your Personality is 6

Abe, you radiate understanding and compassion. People sense your warmth and fairness. For this reason, you attract many people who are in need of comfort, including the disadvantaged. People tend to come to you to unload their burdens. You inspire confidence.

You have a fine sense of justice. You do everything in your power to keep the harmony and are even willing to sacrifice your personal desires for the good of others.

You can take this too far, however, sometimes playing the role of the martyr. You have to guard against being taken advantage of. You are not always a very good judge of character. You tend to see the best in others.

You also can become too involved in the lives of others, to your own detriment. (This aspect can be balanced by other numbers in your chart.)

You are hospitable and domestic. You love children and are a good parent. You are romantic, faithful and very protective.

You are artistic. You love music, flowers and gardening. You are a natural interior designer. You have an excellent sense of color and taste.

Abe, you are more concerned with the content of your personality than your appearance, which causes you to be less conscious of the style of your clothes. You are more interested in comfort and the utility of clothing than the statement it makes.

Six Personality Numbers are exceedingly generous. You are not particularly logical when it comes to finances.

You are very vulnerable to praise and criticism. You tend to worry

a lot, causing stomach problems.

People see you as a maternal or paternal figure. They want to relax in your presence and unburden themselves. You are the safe port in the crowd.

MATURITY

Your Maturity number indicates an underlying wish or desire that gradually surfaces around age thirty to thirty-five. This underlying goal begins to emerge as you gain a better understanding of yourself. With self-knowledge comes a greater awareness of who you are, what your true goals in life are, and what direction you want to set for your life. This, in a nutshell, is the gift of maturity: You no longer waste time and energy on things that are not within your own special identity.

No matter what your age is at present, your life is being channeled in a specific direction, toward a very specific goal. That goal can be seen as a reward or the fulfillment of a promise that is implicit in your current efforts, often without your knowing it consciously. While the characteristics of this number are usually visible during childhood, we tend to lose sight of these aspects until later in life. But our lives are always being affected by this influence, nonetheless.

Your Maturity number begins to have a more profound impact on your life after the age of 35. The influence of the number increases steadily as you grow older.

Your Maturity is 11/2

As you mature, Abe, you will discover that you possess a growing talent for understanding and working with other people. Your ability

to influence others through tact and diplomacy will grow. These talents will further you along in your career or business. You will become increasingly shrewd, and will learn the art of discrimination. Your sensitivity to the needs and desires of others improves dramatically. You will be able to evaluate their motivations with a growing clarity and uncanny accuracy.

You find you can get more done by persuasion and gentle guidance than by force.

Abe, you may well have to learn to assume the role as the power behind the throne. Your influence is less public, and you may not always receive the public recognition you deserve. However, your satisfaction comes from seeing the fruition of your own ideas come about, the result of teamwork and cooperative efforts.

If you already have many 2s in your chart, especially in the core numbers, you may become overly sensitive, a characteristic you will have to keep in check. If you have few 2s in your chart, the influence of your Maturity Number will greatly increase your ability to work harmoniously with other people.

KARMIC LESSONS

Numerology is based on the understanding that we enter life with certain strengths and weaknesses. Karmic lessons are areas that we are currently weak in and must be faced and worked on in this life. There can be more than one Karmic Lesson. These are indicated by the absence of certain numbers in your name.

The letters and numbers of your name point to talents and abilities that you possess. These characteristics can be compared to a workshop in which certain tools are available to you. Missing numbers, those that are not represented in the letters in your name, imply tools that are unavailable, and must be learned and mastered

during this lifetime.

You may well recognize your Karmic Lessons as weaknesses you have learned to overcome in the course of your life, however, the challenges implied in your Karmic Lessons will continue to come up occasionally for the rest of your life.

You have a Karmic Lesson 7

Abe, you need to deepen your knowledge and talents in a specific discipline. You lack the will or determination to perfect yourself or a specific talent you possess. You must learn to be your own critic, without self condemnation, in order to bring your abilities to their full development.

You will learn not to take things at face value. A superficial understanding of important matters will prevent you from experiencing the satisfaction of your true potential.

The effects of this Karmic Lesson are diminished if you have at least one 7 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

HIDDEN PASSION

Your Hidden Passion reveals one or more special strengths and talents that you rely upon and are available to you. The Hidden Passion represents your specific field of expertise, or a concentrated talent.

Metaphorically, this talent can be seen as having a power all its own to shape your life. Its existence gives you a strong desire to develop and to express that particular ability. Having the talent demands that you express it, that you experience this part of you,

and that you live according to its nature. In this way, the Hidden Passion shapes your personality, and guides your life.

Your Hidden Passion is 1

Abe, you have a strong drive to stand out. You have a great ambition and desire to accomplish. You are highly competitive and want to be the best and the first in everything you do. You are highly energetic and creative. You are capable of influencing and even dominating others. You have highly developed political skills, and can succumb to manipulation unless your ideals are high.

Ironically, there are times when you lack confidence, especially at an earlier age, but you have the strength to overcome this obstacle.

Abe, you are a survivor, a warrior, a leader. Many great athletes and politicians have this number as a Hidden Passion.

Your Hidden Passion is 3

Abe, you are highly social and have a gift for self-expression. You love to entertain and attend parties. You are exceedingly popular, and a good friend.

You are highly talented in one or more of the arts -- writing, acting, music, or painting.

You need excitement. When things are dull, you tend to fantasize and sometimes exaggerate.

You are very inspiring and motivating to others. You are blessed with a considerable amount of charm and charisma. You are highly optimistic, which can make you a bit of a rolling stone. You think that the grass is always going to be greener on the other side of the hill.

Abe, you need discipline and focus to make the most of your

talents. You can fall victim to scattering your energies. You have to guard against being selfish and indulging in too much sensory gratification.

BALANCE

People experience different internal responses to life's challenges. Some withdraw from difficult situations to think them through; others withdraw from their emotions, to try and keep themselves from feeling anything. Some explode with emotions, but allow the explosion to pass quickly. Others linger with their feelings, holding on to them well past the time they should have let them go.

Very often, these are conditioned or emotional responses that emerge without thought or analysis. Maturity and self-development help us to learn new and more effective methods of handling our world and the problems we confront. Your Balance number provides you with the guidance on how best to deal with difficult or threatening situations.

Your Balance is 4

Abe, try to have perspective and a more lighthearted attitude toward emotionally-charged issues. Control your anger. Discipline is your strength.

Also, look at the larger picture and the need for compromise. Abe, your sense of justice must be elevated to another level where such virtues as forgiveness, compassion, and deep understanding are the guiding lights. A practical approach to these ideals, Abe, is to try to put yourself in the shoes of the person with whom you are in conflict. There are always more angles to a problem than you tend to acknowledge.
