INTRODUCTION

HOW TO READ YOUR RELATIONSHIP COMPATIBILITY REPORT

When two people are involved in a relationship, they get to know each other more deeply over time. At first, everything is wonderful and friction is rare. Then, as time goes by, you get to know other sides of your partner and, undoubtedly, discover some personality traits you don't like, and other traits you appreciate. The more time you spend together, the more you get to know each other. But even if you consider your relationship almost perfect, you will certainly experience at least some areas of possible friction.

The purpose of this report is to point out the different personality traits you possess, and how compatible they are. This report will help you identify those properties that are, at least to some extent, not compatible, and suggest how to prevent them from damaging, or dominating, your relationship.

It is important to also keep in mind that you may have some qualities that, although positive, are not compatible, but that negative traits are almost always a cause for friction. Therefore, you may find that this Relationship Compatibility Report is at times more critical and perhaps somewhat harsh - unlike most readings of this kind. If you feel uncomfortable with that, remember that this report was designed to throw light on those aspects in your charts that need to be understood and recognized, because if they are not, they can do a lot more damage than a few critical remarks in a reading.

Jack and Jackie, you will probably encounter some texts such as:
"The compatibility aspect in this area of the chart is already included

in other parts of this report, offset by other conditions or redundant”.

This is done in order to offer a perspective that is as well balanced and clear as possible, and repeating certain traits would place too much emphasis on them.

Master numbers are also handled somewhat different in a relationship compatibility report. They are reduced to their single digit values, because it is in the single digit's archetype that those personality traits are represented. If a number that appears in your chart is 11, 22, or 33, and the compatibility refers to the numbers 2, 4, and 6 respectively, this is not a typo but an indicator that the compatibility is based on the single-digit sum of your Master number.

You will also find that some numbers normally included in a personal numerology reading are not included in a relationship compatibility report. This is because the compatibility between two people is influenced much more strongly -- as much as ninety-five percent -- by the core numbers, than by all the other numbers in the chart combined. In fact, the lesser numbers in the chart would only muddle the waters if analyzed in the context of a relationship compatibility report.

Jack and Jackie, I hope you will enjoy your Compatibility Report and, more importantly, I hope you will find this reading to be beneficial to your relationship.

LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Jack, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality Chart!

Jack, your Life Path is 25/7

Jack, you are the searcher and the seeker of the truth.

You have a clear and compelling sense of yourself as a spiritual being. As a result, your life path is devoted to investigations into the unknown, and finding the answers to the mysteries of life.

You are well-equipped to handle your task. You possess a fine mind; you are an analytical thinker, capable of great concentration and theoretical insight. You enjoy research, and putting the pieces of an intellectual puzzle together. Once you have enough pieces in

place, you are capable of highly creative insight and practical solutions to problems.

Jack, you enjoy your solitude and prefer to work alone. You need time to contemplate your ideas without the intrusion of other people's thoughts. You are a lone wolf, a person who lives by his own ideas and methods. As a result, close associations are difficult for you to form and keep, especially marriage. You need your space and privacy, which, when violated, can cause you great frustration and irritation.

When your life is balanced, however, you are both charming and attractive. You can be the life of a party, and enjoy performing before an audience. You enjoy displaying your wit and knowledge, which makes you attractive to others, especially the opposite sex.

But you have distinct limits. While you are generous in social situations, sharing your attention and energy freely, you are keenly aware of the need to "come off stage" and return to the solitude of your lair. You associate peace with the unobtrusive privacy of your world. Therefore, intimacy is difficult for you, because you guard your inner world like a mother lion does her cubs.

All this privacy and aloneness can cause isolation and loneliness, however. You can be aware of emptiness in your life, a part of you that yearns for company and close companionship that may be unsatisfied.

If isolation is brought to the extreme, you can become cynical and suspicious. Jack, you can develop hidden, selfish motives, which people may sense and may cause them discomfort around you. You must guard against becoming too withdrawn and independent, thus shutting out the love of others and keeping you from experiencing the true joy of friendship and close companionship.

You must especially watch out for selfishness and egocentricity, thinking of yourself as the center of the universe, the only person

who really matters. Social contact gives you perspective on yourself and on life, while too much isolation can make you too narrow and even shut off from the rest of the world.

Secretly, you may feel jealous of the easy relationships formed by others; you may perceive others as less inhibited than you, or more free to express themselves. You may harshly criticize yourself for not being more gregarious, powerful, or capable of greater leadership.

Jack, your challenge in life is to maintain your independence without feeling isolated or ineffectual. You must hold fast to your unique view on the world, while at the same time being open to others and the knowledge they have to offer.

With your abilities to learn, analyze, seek out answers to life's important questions, you have the potential for enormous growth and success in life. By the time you reach middle age, you will radiate refinement and wisdom.

Pythagoras loved the seven for its great spiritual potential.

Jackie, your Life Path is 11/2

Jackie, you have the potential to be a source of inspiration and illumination for people. You possess an inordinate amount of energy and intuition. There is so much going on in your psyche that you are often misunderstood early in life, making you shy and withdrawn. You have far more potential than you know.

You galvanize every situation you enter. You inspire people, but without your conscious effort. Energy seems to flow through you without your controlling it. This gives you both power and sometimes emotional turmoil.

You are a channel for information between the higher and the lower, between the realm of the archetype and the relative world. Ideas, thoughts, understanding, and insight -- all of these can come

to you without your having to go through a rational thought process. There seems to be a bridge, or connection, between your conscious and unconscious realms, attuning you to a high level of intuition through which even psychic information can flow.

All of this amounts to a great capacity for invention. Many inventors, artists, religious leaders, prophets, and leading figures in history have had the 11 prominent in their chart.

Because you are so highly charged, you experience the consequences of a two-edged sword. You possess great abilities, but indulge in much self-reflection and self-criticism. You often feel highly self-conscious. You are aware on some level that you stand out. Even when you try to blend with your environment, you often feel conspicuous, alien, and out-of-place.

Jackie, you are blessed with a message, or a specific role to play in life. But you must develop yourself sufficiently to take full advantage of that opportunity. Until that time, your inner development takes precedence over your ability to materialize the great undertaking you were chosen to perform. Consequently, 11s seem to develop slowly, but they simply have more to accomplish in their evolution than the average person. Thus, your real success does not usually begin until maturity, between the ages of 35 and 45, when you have progressed further along your path.

You may often be frustrated, largely because you have extremely high expectations of yourself. But these expectations can be unrealistic, and can prevent you from accomplishing anything. You can be very impractical, envisioning a skyscraper when all that was necessary was a two-story house.

You may also suffer from bouts of confusion and lack of direction. This gives rise to loss of confidence and the onset of deep depression. The cause of these emotional problems is your lack of understanding of your own sensitivity and potential. Your desire to

achieve some great ambition is enormous. However, a lack of confidence in your own ability to realize this dream may cause you much frustration. You sense the enormous potential you possess, which requires equally enormous confidence in your ability to materialize your dream. Confidence is the key that unlocks your potential.

On a strictly physical level, you must protect your nervous system, which is inordinately vulnerable to stress because of your acute sensitivity. Depression is often the result of long periods of stress that have gone unrelieved. Seek out peaceful and harmonious environments, relaxing music, and follow a healthful diet in order to restore balance and peace.

As an 11 Life Path, you are a highly charged version of the 2 and possess many of the characteristics and talents of that number.

You can be extremely diplomatic and tactful. You are also patient and cooperative. You work well with groups and somehow find a way of creating harmony among diverse opinions. You enjoy music and poetry and require a harmonious environment. You have an eye for beauty and a fine sense of balance and rhythm. You have healing capabilities, especially in such fields as massage, acupuncture, physical therapy, and counseling.

Jackie, you are a sensitive and passionate lover; your perceptiveness makes you aware of your partner's needs and desires, which you are able to fulfill with almost magical delicacy. However, when you feel you have been mistreated or jilted, you can react with devastating power, sometimes using personal criticisms vindictively.

You are a fine companion and possess a good sense of humor.

When you have found your niche in life and begun to realize your true potential, your rewards will more than compensate for your trials earlier in life.

Your Life Path's compatibility is 7 and 2

Jack and Jackie, your Life Path numbers are the most important numbers in your charts, and, as such, their compatibility is very important to the well-being of your relationship.

In this combination of numbers, intuition meets intelligence, sensitivity meets clinical research, and the heart meets the mind. It would be a challenge to find two more different archetypes than this. Jackie and Jack, yours is a unique relationship. Rarely do two such different numbers express even the slightest bit of interest in each other. But, when they do, the partnership is worth every effort. Almost certainly, you met under strange circumstances, perhaps a situation where you were both out of your usual environment, and, most likely, Jackie reached out to Jack. Once these two completely different numbers come close enough, the result is often an exchange of energy that welds the relationship for life.

The dangers and pitfalls possible in this combination are generally experienced right at the beginning of the relationship. They are numerous and include the inability to relate to the other person's way of thinking, feeling, and expressing. Jackie's love is soft and gentle, idealistic and romantic, emotional and innocently childlike. Jack's love is like a precious jewel; it requires a lot to earn it. Wisdom and knowledge, spiritual understanding and an ageless quality strengthen Jack's love. At the onset of the relationship, this was the big hurdle to overcome. Jack does not trust love that comes so easily. On the other hand, Jackie simply cannot understand why someone would not just respond. After all, what is more natural than love?

Sometimes, a relationship with this combination of numbers occurs after the partners have known each other for many years, when levels of trust and understanding have been achieved before either one of them thought about romance. So, a romance born on such solid foundations and balanced by pure emotions on one side and wisdom and spiritual understanding on the other can't but succeed. So, be that as it may, once other number combinations bring these two opposite archetypes together into this unique relationship, it takes a hurricane to destroy their bond.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual

emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

Jack, your Expression is 17/8

Jack, you have the power and potential to achieve great things. It is both your challenge and your birthright to gain dominion over a small part of the earth. Whatever your enterprise, you strive to be the best and most successful in your field. You are highly competitive and will not rest until you are satisfied that you have bypassed the opposition. You enjoy challenges and rivalry.

You are a realist and a visionary planner. Money and authority are available to you if you are willing to discipline yourself -- generally an inborn talent -- and persevere in the face of the considerable obstacles in your path.

You are dynamic and have a talent for efficiency. You understand the larger picture, see the broader challenges, and know how to marshal your collective resources to address the problems. You delegate responsibility well; it is best for you to leave many of the details to others.

Jack, you are a great leader of people and an outstanding judge of character. You are demanding of those who work for you, often putting things in no uncertain terms: do it my way or don't do it at all!

At the same time, you don't hesitate to reward the faithful and hardworking employee. You are not a particularly tolerant leader; too much tolerance violates your sense of efficiency. You go directly after your goal with courage and tenacity.

You have a natural understanding of money, authority, and power. You are able to struggle consistently after your goal.

Eventually power falls to you. Within you lies an innate balance between the higher and lower characteristics of man. Your challenge in life is to balance your higher ideals and your understanding of the hard realities of the earth.

Much effort will have to be put out and many ups and downs experienced before you reach the level of success you desire. Life will probably test you many times with obstacles that seem insurmountable. But in reality, these are merely opportunities for you to learn how to use power and authority in the face of difficulties, and to find out just how much power lies within you.

It is crucial for your success that you balance the material and the spiritual. You have chosen a path that requires balance between giving and taking, reward and punishment, action and reaction. Despite the obstacles on your path, you are a true survivor.

When focused exclusively on your desire for results and success, you can become stubborn and intolerant; you can be driven by excessive ambition, causing you to be exacting and without perspective. Be careful of your alcohol consumption, a danger-zone for you. Jack, you can be a social drinker, mixing business with pleasure -- a dangerous cocktail.

An excellent manager, organizer and administrator you have talents in many areas of life. Entrepreneurs, executives, bankers, brokers, negotiators, gamblers, coaches, collectors, heads of institutions, builders, art dealers, manufacturers, promoters, military officers, police detectives, smugglers, engineers, pilots or sea captains.

You have been entrusted with special gifts, the use or abuse of which has an immediate and often physical effect upon you and those around you! Use these gifts for the good of mankind and accept your own good fortune with gratitude. This is your rewarding stage in your evolution. Yours is a life time of harvest

Jackie, your Expression is 22/4

Jackie, you are the master builder. You possess a unique gift for perceiving something in the archetypal world -- infinite and divine -- and making some semblance of it manifest on earth.

You dream big. Every goal you have is enormous in scope. You dream of creating something that will last centuries. Your desire is to change history. You want to make your mark on human civilization. There is no limit to what you are capable of, nor any on what you dream of doing. Of all the numbers, yours possesses the greatest potential for accomplishment. At the same time, you possess the greatest liability. What it will require of you to fulfill your potential is nothing less than your entire life.

Even as a child, you have had a vague sense of what you must do and have always been deeply intimidated by the awesomeness of your task. You have felt the intimations of your power. But these feelings have caused you to feel paralyzed by doubt.

Jackie, you must advance well into adulthood before you can begin to make use of your power and truly commit to your destiny.

The promise and reward of your Expression is equaled only by the degree of difficulty and struggle necessary to realize its potential.

The number 22 offers those who fully realize it a chance to jump into another dimension in which your day is expanded, your capacity to create and inspire multiplied, your ability to perform lasting service to mankind extended beyond the normal limits of one's life.

You may turn away from the challenge you face for the safety of limitations and practical considerations of the 4 (22 reduces to a 4 expression). You may not want to take the great risks that the 22 presents. Instead, you may try to content yourself with limited achievements, telling yourself that your big dreams are unrealistic

fantasies. This can cause some frustration, because on some level you feel called to greater things. Nevertheless, your chances to be successful, even when you limit your efforts, are still good.

You have great leadership abilities. You are persistent. You also refuse to back down in the face of a challenge. You like to work in large enterprises and on an international scale. Borders or racial identities mean little to you. You see yourself as a world citizen, playing on the planet, and refuse to be limited by petty conventions.

Jackie, you should marry someone who does not depend on you for entertainment, rather choose a spouse who can participate with you but provide an independent contribution to your goals.

You are blessed with a farsighted vision. Your efforts are directed toward great accomplishments and long-standing progress. You deeply want to create a great edifice that will make a lasting contribution, and you have all the tools necessary to do just that.

Your Expression's compatibility is 8 and 4

More than any other number in your chart, your Expression number reflects who you are as a person. Earlier, you read about the Life Path number and how important that number is in your chart. However, the Life Path number reflects “the path you walk on,” and should be seen more as a powerful influence than as a part of your personality makeup. Your Expression number on the other hand, reflects a deeper part of you. It is more difficult to overcome possible negative traits you may have recognized in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

It can't be emphasized too much how important it is to realize that numbers in different areas of the chart affect you differently, even

when it is the same number. Sometimes, you may read something that seems to directly contradict earlier statements. Yet, if you take the time to think about them carefully, you will probably recognize that you, as a human being, are extremely complex and full of the same contradictions. This is simply the way we are. You may be organized in one area of your life, while chaos rules in another area. You may be tactful and sensitive in one setting, and direct and confrontational in another situation.

This is an excellent combination of numbers, not only in romance, but also in business. The four and the eight are like the gears in an engine. They connect perfectly and increase each other's torque. By joining their forces, they triple or quadruple their output. This is considered the best possible blending of archetypes for a business. Jackie delivers the persistence, determination, dependability, and methodical approach required to reaching any set goal, while Jack, the visionary, brings in the conviction that no dream is unattainable. Fortunately, a similar synergy exists in romance as well. Although the four and the eight are different in many ways, they respect each other and recognize each other's value. Together, they are able to create a wonderful environment of trust, love and deep spiritual bonding.

Jackie and Jack, although this aspect of your charts reveals an almost perfect combination, dangers do exist, like in any other number combination. Jack will eventually need to try something that Jackie will perceive as outrageous and doomed to fail. Jack's stubborn determination and at times authoritarian approach may very well become a major irritant in Jackie's life. Jackie, whenever that happens, the best approach is to simply back off. Communicate your ideas, but don't ever try too hard to persuade Jack to give up a plan or a goal Jack believes in. By the same token, Jack will, at times,

feel that Jackie is a stick in the mud who doesn't dare to step off the beaten path. In such situations, Jack would do well to remember that such behavior does not mean a lack of courage on Jackie's part, but simply that Jackie will not waste time or take risks for something Jackie doesn't believe in. In any of the situations just described, feelings of frustration may overshadow the love and respect that is the foundation of this relationship, leading to devastating results. Although rare, it is not unheard of for this combination to survive several major breakdown-reconciliation experiences, even divorce and re-marriage. The way to avoid pushing it too far is through compromise. Compromise is the key word to safeguard this excellent number combination. Sometimes, Jackie, even when you know a project is doomed to fail, it may still be worthwhile to pursue it. As for you, Jack, your goals or ideas may be valid, yet, as you typically become more enthusiastic and motivated when Jackie - or anyone else for that matter - says it is impossible, you might want to consider whether pursuing it is the smart thing to do.

HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess,

which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

Jack and Jackie, your Heart's Desire is 20/2

Jack and Jackie, you both have the same number in this part of the chart. The following text therefore applies to both of you.

Jack, you want peace and harmony in all aspects of your life. You want to devote your life to someone or something. You fall in love easily. You are extremely sensitive and emotional. You can be sentimental and you cry at sad stories. You need friends and society.

You appreciate the refinements of life. You desire comfort and security. You have refined taste, and can be a connoisseur. You love music and possess a good deal of musical talent.

Your sensitivity is actually a symptom of your highly developed intuition. But you must learn to trust it.

Jack, you are a gentle soul and shy away from confrontation as long as possible. You experience a battle within when you do not believe you can handle a situation; this may have a paralyzing effect on you.

You prefer to give in when you should assert yourself. You must learn to be more decisive. Very often, you are afraid to use your own power in the face of someone else's aggressiveness. You incorrectly perceive yourself to be in a weaker position; you may ultimately give in merely to avoid a fight.

Conversely, you are extremely diplomatic and tactful. You like to

accomplish things through quiet persuasion. You dislike force.

You have to fight uncertainty and doubt. You need to develop confidence and a willingness to stand up for what you believe to be right.

Jack, you function best in a supportive role, guiding the more public person in quiet, unobtrusive, yet essential ways.

Your Heart's Desire's compatibility is 2

Compatibility of the Heart's Desire numbers is very important in a relationship - few relationships last beyond the initial stage if the Heart's Desire numbers are not compatible.

This aspect of the chart reveals both of you to have a sensitive, vulnerable side. Sometimes that is favorable, other times it prevents issues from getting resolved, like when you step around the issue carefully, afraid to hurt the other. This may cause issues to fester and start eating at the foundation of your relationship. Therefore, it is important not to walk away from the problems because you don't want to rock the boat. It is best to face them up-front!

Jack and Jackie, you both have a healthy respect for the power of feelings and emotions, but you have to guard against avoiding confrontations altogether. Sometimes, a confrontation is necessary to clear the air and resolve the problems, in other words, "to send the phantoms away".

As two people who feel and experience emotions strongly, you are both more vulnerable to criticism. This is something you may have to consciously work on. Sometimes, as I mentioned, you will avoid addressing an issue. Other times, especially when those unresolved issues cause resentments, you, like boxers, may be tempted to lash out to your partner with a "below-the-belt" criticism, revealing your

anger and resentment in a way that can be very harmful for the relationship. Even more devastating, it can shut the door to any chance you might have had to resolve the underlying problem. Frequent instances of that behavior might undermine your relationship and, sticking to the paraphrase, a knock-out would not be totally impossible.

As you can see, although couples keep looking for things they may have in common, in this aspect of the chart, the fact that you both have a two does not translate into an advantage. On the positive side, you can relate to each other's emotional experiences. On the negative side, instead of one person balancing the other, you may, instead, enhance a negative experience until perspective is lost and all that remains is pain and anger.

Jack and Jackie, you both have a tendency to use the occasional white lie to circumvent what you perceive as dangerous ground. This is not always a bad thing. However, unless other numbers in your chart support your ability and your willingness to grab the bull by the horn when tact and diplomacy are no longer suitable, this avoiding of difficult subjects can have the effect of pushing each other away. You start creating a world of your own, slowly pushing your partner away. If you have the kind of relationship where the partners live their own life quite happily, there is no problem. However, you are both people of the heart and that pretty much makes that kind of lifestyle impossible.

The key to maintaining a healthy and stable relationship when both partners have a two in this part of the chart is to recognize the need for planned pow-wows. Whenever an issue needs to be handled, discuss it openly and frankly, but never guided by impulse and emotions of the moment. Instead, tell your partner that something is bothering you and you want to talk about it. Then, build up a setting: make a cup of coffee, sit down around the table, and

emphasize to your partner that you know first and foremost that your love is strong and enduring, and that, in order to keep it strong, you have to bite the bullet and talk about it. In such a setting, you can discuss the situation intelligently, without getting too emotional and without letting anger and irritation control the discussion.

PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

Jack, your Personality is 15/6

Jack, you radiate understanding and compassion. People sense your warmth and fairness. For this reason, you attract many people

who are in need of comfort, including the disadvantaged. People tend to come to you to unload their burdens. You inspire confidence.

You have a fine sense of justice. You do everything in your power to keep the harmony and are even willing to sacrifice your personal desires for the good of others.

You can take this too far, however, sometimes playing the role of the martyr. You have to guard against being taken advantage of. You are not always a very good judge of character. You tend to see the best in others.

You also can become too involved in the lives of others, to your own detriment. (This aspect can be balanced by other numbers in your chart.)

You are hospitable and domestic. You love children and are a good parent. You are romantic, faithful and very protective.

You are artistic. You love music, flowers and gardening. You are a natural interior designer. You have an excellent sense of color and taste.

Jack, you are more concerned with the content of your personality than your appearance, which causes you to be less conscious of the style of your clothes. You are more interested in comfort and the utility of clothing than the statement it makes.

Six Personality Numbers are exceedingly generous. You are not particularly logical when it comes to finances.

You are very vulnerable to praise and criticism. You tend to worry a lot, causing stomach problems.

People see you as a maternal or paternal figure. They want to relax in your presence and unburden themselves. You are the safe port in the crowd.

Jackie, your Personality is 11/2

Jackie, you appear friendly and unpretentious. You have a soft and warm exterior. Others perceive you as gentle, safe harbor. People are drawn to you because, among other reasons, you appear warm and unthreatening.

Your dress is neat and clean. Jackie, your clothing should be comfortable, soft, and flowing. You should avoid plain and understated clothes. Make an effort to be a little more daring and exciting in your appearance. This will balance nicely with your perceptive and open personality.

The opposite sex is attracted to your gentle and attentive nature, yet senses the passion beneath your surface. You have sex appeal.

Exercise is important to your appearance and to promote the level of strength you radiate.

You are very patient and understanding, and a wonderful listener. You make others feel important and loved.

You are sensitive and become tense in a disharmonious atmosphere. You have experienced quite a bit of negative criticism as a child, which made you shy growing up. Though you may be well past that shyness, a bit of the vulnerability has remained with you and is often sensed by others.

Jackie, you are a peacemaker. Arguments leave you drained. People sense your desire for harmony. But you must avoid being the blank tablet for others' projections. People may underestimate your strength, but this is a mistake. You are strong. You bend, but don't break.

You have a fine sense of beauty and excellent taste. There is a grace in your movements, reflecting your keen sense of harmony and refinement.

Your Personality's compatibility is 6 and 2

Quickly recognized when two people first meet, not many relationships even get started unless the Personality numbers are compatible.

Two and six are considered the most loving numbers of all. However, their love expresses itself in different ways. Jackie, your two, in this part of the chart, reveals sensitivity, awareness of emotional forces in yourself and others, and an ability to recognize the subtle and often hidden motives in others. Jack, your six points to a powerful urge to care and protect, to shelter those you love and to comfort them. In fact, one of the few traits a six has to guard for is not to smother others with its love.

Jackie and Jack, this combination forms a strong foundation for any relationship, but in particular for a romantic one. You both love easily and without holding back. You are not afraid to reveal your feelings. However, it is only in the strength of their love and their need for sharing and giving that these two numbers overlap. In many other respects, they are very different and, sometimes, even opposite. Jackie, your love is one of feelings and emotions driven by the need for companionship, security, and comfort. It is intuitively aware of the fragile nature of life and therefore has a tendency to be somewhat needy and insecure. A negative expression of this insecurity is jealousy, perhaps even towards people Jack may have a business or friendship relation with. If Jack gives too much time and attention to someone else, Jackie may have some difficulty in accepting that. Jack, on the other hand, can be oblivious to the subtle signs that something is brewing underneath the surface. Jack feels comfortable in a romantic relationship and does not share this kind of insecurity.

Although Jack is not particularly afraid of romantic competition,

Jack's demons also show up in this relationship. Where Jackie requires attention and emotional contact to feel comfortable, Jack may tend to spread attention around in search of other people's approval and gratitude. Like a parent with grown children, Jack reaches out to take care of, and comfort others, as a way to fill a space that can't be filled. By doing so, Jack may forget who and what is really important, a trait typical to the six.

More often than not, neither the occasional jealousy nor envy of the two, nor the aimless mothering of the six, can do more than put a dent in this relationship. The two and the six are very compatible and the likelihood of a crash is smaller than in most other number combinations.

PERSONAL YEARS

Your Personal Year number is a strong indication of the trends and circumstances you will experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and therefore run concurrent with the calendar year. Transit and Essence cycles are based on the letters of your name and run from birth date to birth date.

There are nine personal year numbers, which makes up a complete Epicycle. Each Epicycle reveals the progression or evolution of a specific part of your growth. Jack, your progress along this Epicycle can be seen very logically, from the infancy or beginning of a growth period in your life, to the conclusion or culmination of that process. The 1 personal year indicates your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle. Below is a description of your current

Personal Year. It indicates where you are on the 9 year Epicycle.

The Personal Years form the building steps that mark your progress through life.

You may experience some emotional depressions and frustrations. The year is marked by struggle, but there are many opportunities to advance your plans.

This is a year of slow growth, requiring patience.

Be discriminating in your associations and secretive about your plans. Don't talk too much about your ideas; be a bit secretive; guard yourself and your ideas. You are somewhat vulnerable this year.

This is a good year to improve yourself through reading and research. Jack, your growing awareness of the less visible and less obvious aspects of life will make you much stronger and better prepared for the future.

You must be wise in all your relationships and associations this year. You are far more capable of establishing close, even life long relationships this year. Because sensitivity and openness are heightened, many people find their "soul mate" in a two year.

May is the pivotal month in the year. You are extremely intuitive and sensitive. You are also self-reflecting and better able to influence your peers and situation through spiritual awareness. July brings a culmination of plans and a distinct step forward. August sees things become more concrete and brings a new beginning. September is emotional, requiring adjustments, tact, and inner resolve. The 2 year is a year of growth and advancement, but through gentle means, and the indirect use of your personal power.

Your Personal Year's compatibility for 2011 is 2 and 3

Compatibility is as important with the cycles as it is with character traits. It is possible for a relationship between two people with otherwise very compatible charts to break down as a result of encountering one or more incompatible cycles. However, it is much easier to overcome or avoid possible pitfalls resulting from incompatible cycles than from incompatible personality traits.

Jack is experiencing a time when emotions are felt stronger than usual and with more impact. It is as if a protective layer has been stripped, leaving Jack more vulnerable than usual. At the same time, Jackie is experiencing a time of inspiration, enthusiasm, and creativity; a light-hearted time when emotions tend to have less impact than they usually do. Jackie feels quite confident and won't dwell on emotions as much as during other times. Jack, however, feels them strongly. Often, this translates to mood swings and moments of emotional insecurity and confusion on Jack's part,

contrary to Jackie who is less sensitive and intuitive. The result can be confusion and misunderstandings. Jackie doesn't understand why Jack is getting so upset about some minor argument, while Jack wonders why Jackie seems so unattached and distracted, almost as if Jack's feelings don't matter. This is a time, Jackie, to pay close attention to Jack and the relationship you have together. For Jack, it is important not to dwell on emotions. Feelings of neglect are unwarranted, and if Jackie seems a bit caught up in other things, that's because Jackie feels secure and comfortable enough in the relationship to focus on creative endeavors, social events and people outside the relationship.

Love is in the air.

February brings changes; June sees the completion of a project and July signals a new beginning. August can be emotional, as can November.

Jackie, your Personal Year for 2012 is 4

This is a year to be organized and practical. Take care of details. Commit yourself entirely to your goals.

Jackie, your concentration and ability to focus will be much improved over last year. You will have an attitude of realism and determination.

There can be a sense of limitation and some frustration this year. However, it is a year of important opportunities that must be seized. There can be considerable work-related travel.

You must be flexible this year to make full use of the opportunities that present themselves. It will require a combination of perseverance, hard work, and versatility.

You will receive recognition for your efforts and support from your friends and family.

It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for to long.

Fulfill your obligations and do not be afraid to spend some of that

hard earned money. Selling and trading during this year usually is quite successful.

This is the year to work on your foundation and prepare yourself for the many changes that will undoubtedly come next year.

As a result of your hard work, there will be much satisfaction and a feeling of accomplishment.

January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. Jackie, you may feel threatened by the changes that are on the horizon. But November brings assistance in the form of a promotion or additional financial support.

Your Personal Year's compatibility for 2012 is 3 and 4

Jack and Jackie, this is a time when your cycles are pushing you in opposite directions. Actually, this is often the case in your relationship and does not per se reflect a lack of compatibility. For Jack, this is a time to relax and smell the roses, while Jackie needs to keep focused and maintain a high level of effort. It is important that you don't try to change each other's natural inclination to follow the demands of your respective cycles. Jackie needs to accept the fact that Jack is not as disciplined and ambitious as usual, while Jack should not try to talk Jackie into taking it easy.

Contrary to what one might expect, as a rule of thumb, cycles with a gap of one point, such as three and four or four and five, although moving in different directions, are not per se incompatible. In fact, they often complement each other. Only when couples try too hard to influence each other's lives do these cycles cause stress and

unhappiness.

Jack should be allowed to back off a little from the daily grind, while Jackie should be supported and encouraged throughout this rather demanding period.

Jackie, your Personal Year for 2013 is 5

This is a year of dynamic change, Jackie. Many surprises will come your way. Be open and ready to embrace new opportunities.

Do not be overly careful this year. This is a year in which a major step forward can take place if you are willing to take some calculated risks and do a little gambling. Wisdom and prudence is the key, but you will definitely be faced with choices that require fast action and a willingness to act before all the facts are in.

This is an exciting year in which you will be required to promote yourself in order to take full advantage of the opportunities that await you.

There will be increased opportunity to travel and possibly a change of residence.

You may be tempted by the desires of the flesh: too much food, alcohol, sex, and drugs. Be careful and discriminate. You could make mistakes in these areas.

You will have some unexpected adventures and lucky breaks this year.

This can be an unsettling year if you try to cling to outmoded methods or characteristics. This a year to throw off the old and adopt the new. It is a rebirth and a release after last year's struggle.

This is a year in which change takes place consistently, and

particularly so in April and May. July is a breakthrough, a time to enjoy life. September can be intense, while October requires tact and balance in relationships.

Your Personal Year's compatibility for 2013 is 4 and 5

Jack and Jackie, this is a time during which you are under very different influences. It is a time of focus, effort, and sometimes frustration and stagnation for Jack, and a time of change, excitement, and dynamic energy for Jackie.

As a result, Jackie is in a position to help Jack to keep moving forward and not get too frustrated by the demands of this cycle, and Jack will be able to function somewhat like an anchor for Jackie.

Jackie can certainly use the stable influence of Jack during this hectic and unpredictable time.

The most positive effect of this combination of cycles is that their combined forces almost always deliver progress and decisiveness. By the end of this cycle, you will realize that you will have established new goals, and a clearer horizon will make it much easier for you to see where you want to go next.

A negative effect you should be aware of is that you may find yourselves moving in such different directions that, at times, you will feel like strangers. Share your feelings and ideas as much as possible and reach out to each other. Physical closeness and sharing things you both enjoy will help you keep connected on all other levels.

PERSONAL MONTHS

Jack, your Personal Month for February 2011 is 4

Jack, February is a 4 Personal Month in a 2 Personal Year. You will realize early this month that progress depends upon your willingness to work diligently and remain focused on details.

You feel capable and confident, but as your effort increases -- and the hours pile up -- you may become frustrated with the slow response of others. Keep your nose to the grindstone, and if necessary put in overtime. Don't try to dodge the bullet; bite down on it and keep going.

Meanwhile, be willing to cooperate, listen to others, and tactfully communicate your convictions, as well as your doubts.

This is an excellent month to improve your financial position, particularly through better management. Through your consistent and patient effort, a raise or profitable business deal is also in the cards.

Relationships tend to be a little shaky for most of this month. Jack, you may be somewhat irritable and lack patience as a result of stress and emotional turmoil in your work-environment.

Maintaining a well-ordered environment and avoiding procrastination will help you bypass much emotional stress.

Jackie, your Personal Month for February 2011 is 5

Jackie, February is a 5 Personal Month in a 3 Personal Year. It will bring changes, excitement, and perhaps some upheaval. You may move, travel, or go on an unexpected trip.

Carefully prepared plans confront the unexpected: events and people you had not expected. Those who are flexible and not afraid of changes will enjoy this month, but those who rigidly try to stick to expectations and refuse to adapt will experience a difficult time in which almost nothing works out, no matter how hard you try.

This is a month to allow the forces of nature to guide your ship. Despite these disruptions, do not give in to impulsiveness or irresponsibility. Make the plans you can; adhere to them as well as possible, and be flexible.

Love is exciting, adventurous, and playful. You uplift your partner and reveal your deeper self. Hidden thoughts and desires that you have kept hidden during the past two years come freely to the surface. Jackie, you are open and childlike and for that reason very attractive to the opposite sex.

A word of caution for those who are uncomfortable with this kind of openness: Do not allow fear to turn this wonderful urge to share your thoughts and feelings into a superficial act.

If you have a tendency to self-indulgence, this month's cycles are dangerous. Be cautious and control your appetite for whatever excesses tempt you.

Your Personal Month's compatibility for February 2011 is 4 and 5

Relationship compatibility of Personal Month cycles can have a powerful effect. But keep in mind: the cycle is short. So, if you run into turmoil, it helps to remember that it is in the nature of a cycle to be only temporary.

Note: The compatibility between cycles is repetitive, as is the nature of cycles. While the influence of Personal Month cycles represented by the same number, can vary greatly depending on the yearly cycle, the compatibility aspect changes very little. You will therefore find that the compatibility description is the same when, for example, a 3 and 4 Personal Month combination is found in a 5 year, as when it is found in a 6 year.

Therefore, you will find that the possible influence of your Personal Month cycles never repeats itself within any one-hundred-and-eight-month period. However, the compatibility aspect repeats much more often - generally every nine months - but sometimes even less than that, depending on your Personal Year cycle.

Jack and Jackie, this is a time during which you are under very different influences. It is a time of focus, effort, and sometimes frustration and stagnation for Jack, and a time of change, excitement, and dynamic energy for Jackie.

As a result, Jackie is in a position to help Jack to keep moving forward and not get too frustrated by the demands of this cycle, and Jack will be able to function somewhat like an anchor for Jackie. Jackie can certainly use the stable influence of Jack during this hectic and unpredictable time.

The most positive effect of this combination of cycles is that their combined forces almost always deliver progress and decisiveness. By the end of this cycle, you will realize that you will have established new goals, and a clearer horizon will make it much easier for you to see where you want to go next.

A negative effect you should be aware of is that you may find yourselves moving in such different directions that, at times, you will feel like strangers. Share your feelings and ideas as much as possible and reach out to each other. Physical closeness and sharing things you both enjoy will help you keep connected on all other levels.

Jack, your Personal Month for March 2011 is 5

Jack, March is a 5 Personal Month in a 2 Personal Year. It brings

some relief from last months' frustrating efforts to persuade others and to keep track of the details.

This month will be hectic with some unexpected changes. Don't try to plan everything down to its final detail. Instead, be flexible and adapt to whatever comes your way.

The expression "being in the flow", is instructive for most of this month and you will be astonished by coincidences in which timing is crucial. Don't make financially risky decisions, especially involving business. Checking and double-check all your facts before going forward with your plans. Be skeptical! However, your ability to promote yourself, your plans, or a product is enhanced.

There will be many social events and opportunities. Take advantage of them. The chances of meeting new people who can support you in your endeavors are especially good.

A letter or phone call from someone you haven't heard from in a long time may surprise you.

It's high noon for romance, but be warned. You may not be as discriminating and cautious as you should be. Allow your rational mind to take a critical look at flattering admirer(s).

Jackie, your Personal Month for March 2011 is 6

Jackie, March is a 6 Personal Month in a 3 Personal Year. It brings family affairs and issues involving relationships to center stage. You may be asked to sacrifice some of your time and energy to help others. A parent or child may need more care and attention than usual. Answer the call and you will be rewarded with a wonderful experience of love and closeness.

Many people in the 3 Personal Rhythm Cycle will make a deep commitment of love, or even get married this month. At the same time, separation and divorce are also possible, since the theme of

this month is commitment to your true feelings. Confrontations are unavoidable in all troubled relationships. While these trends may be difficult and painful, the forces are working at clarifying your relationships.

Your work situation will be rather demanding as more responsibility is transferred to you. However, the reward is right around the corner. (May and June will bring the pay-off.)

This month may be good financially, due to an earlier investment or from payments arriving from previously done work.

Your Personal Month's compatibility for March 2011 is 5 and 6

Jack is in a cycle of change and highly charged energy. Jackie is in a cycle of stability and responsibility. Jack's energy is restless and dynamic, Jackie's energy is focused and grounded. Jack is looking around for opportunity and adventure. Jackie is looking at the home and the family. Jackie's attention is focused near by, on the people and things that matter most. Jack's attention is focused away; on work, career, travel and so forth.

These cycles are as opposite as two cycles can be, yet they are not incompatible. Within a relationship, these influences complement and balance each other. However, if they get too inner-twined, they will turn on each other and anger and blame are the most likely result. It is important, now more than at almost any other time, Jack and Jackie, that you don't try to influence each other too much. Live and let live is the slogan for this month. You probably have realized by now that, more often than not, you are experiencing very different cycles. This is an important aspect of your relationship not limited to this particular cycle. It will always be that way. You should accept the fact that you tend to be influenced by very

different energies most of your lives. Therefore, you may just want to make the concept of live and let live a family slogan -- for life. But, as you probably have also realized by now, although the influence of your personal cycles always tend to place you at opposite ends of the spectrum, it also means that you complement each other very well and make a great team when you put your minds to it. In particular when it comes to showing a single front to the outside world.

Jack, your Personal Month for April 2011 is 6

Jack, April is a 6 Personal Month in a 2 Personal Year. Matters of the heart come to the foreground.

Romance is now at the top of your list of opportunities.

On the other hand, the month brings instability to outdated relationships, and some may end. You become aware of the need to let go of certain people, although final good-byes may not occur until July or early August of this year.

Jack, your family and friends need more attention and you will likely find yourself playing the roles of mediator, comforter, and counselor. You'll be the one to offer the proverbial shoulder to cry on this month. A younger person, particularly, needs your love and attention.

Your career is guided favorably by the Force. There is an increase in your workload and responsibilities due to a promotion -- or one that may be in the offing. The change may well bring financial rewards.

This is a good time for finances, particularly those related to real-estate.

Jackie, April is a 7 Personal Month in a 3 Personal Year. The month represents a pause for self-evaluation. It is a time of light and shadow, a month of contrasting moods. You may alternate between light-hearted optimism and periods of doubt and even depression. The time requires you to look within.

Meditate and contemplate your life. Such self-reflection will awaken deep feelings of gratitude for all the blessings bestowed upon you, including the greatest gift of all: your life itself.

During the first half of the month, you may feel the inner you begin to stir. Your dreams may be intense, graphic, and highly revealing. They are a source of insight if you care to listen. There is a sub-conscious attempt to communicate, not with others but with your own deeper self.

Let career, finances, and romance all take a back seat during this important spiritual time. You will be quite safe.

If possible, take some time off. At the very least, walk in the woods, sit at a lake, or otherwise bring yourself in close contact with nature. Keep a journal and write down your dreams, insights, and revelations. They will offer you insight into your life's direction.

Your Personal Month's compatibility for April 2011 is 6 and 7

Jack and Jackie, you are experiencing very different cycles. On one hand, the influences of the six and the seven complement each other very well. On the other, they create such different needs you may find that there is little common ground between the two of you. You may find that you disagree on just about everything; how to spend your vacation, what kind of car to buy, which of your friends to invite, and so forth. Jack is reaching out to people, Jackie

is avoiding them. Jack is more extrovert than usual, Jackie is seeking peace and quiet.

A positive influence during this time is found in the fact Jack more tolerant and giving, willing to sacrifice here and there to accommodate Jackie. This is an important and much needed factor to make this a harmonious time. Jackie is not very patient right now and doesn't want to be bothered.

Jack, it is important to remember that if Jackie seems a bit cool and distant, this has nothing to do with the relationship. Jackie is doing some soul searching and needs to be given some space and distance.

Jackie, it is crucial not to forget Jack and not to get lost within yourself to the extent of ignoring the world around you. Pay attention to those you care about, Jackie. Your relationship with your friends, your family and with Jack will last a lot longer than this period of self-examination and spiritual exploration.

Jack, May is a 7 Personal Month in a 2 Personal Year. The combination leads to powerful self-discoveries and intuitive perceptions. It is a highly spiritual time, causing you to withdraw from the hustle and bustle of daily life. Your focus is inward. You find yourself taking time off to read, meditate. Your interests are spiritual, not worldly. It's an excellent time to take a vacation, as long as you avoid group-activities.

Social demands will make you irritable and out of sorts. Be with yourself or enjoy meaningful discussions with someone close to you. In this way, you may deepen your marriage or romantic relationship.

It is a time for wisdom and insights, even premonitions and

revelations that have little to do with intellectual effort, but are the result of heightened awareness and a free-flowing channel between your sub-conscious and your conscious.

Be particularly alert to your dreams and the direction and insight they offer.

Jackie, your Personal Month for May 2011 is 8

Jackie, May is an 8 Personal Month in Jackie, May is an 8 Personal Month in a 3 Personal Year. It brings financial rewards, as well as respect and recognition. This, of course, is proportional to the effort you have put out during the past year.

This is a month to focus on career, to be a visionary, and not to hold back when it comes to showing the world how capable you are.

For those who are in business, this is a good time to finalize deals and sign contracts. Investments are generally favorable, as are requests for loans, mortgages, or other methods of financial support. In all worldly matters, this is a time to reach out, to go for your goals. Do not be afraid to take a risk.

As far as matters of the heart are concerned, this is a time to take yourself and your feelings with a grain of salt.

Jackie, you are in a generous mode and feel blessed with so many good friends and such a wonderful lover, but when it comes to commitment, you may want to wait a couple of months when you are more realistic in these matters.

For those who are not involved in a relationship, a "co-incidental" meeting with a person from the past brings an exciting romance.

Your Personal Month's compatibility for May 2011 is 7 and 8

Jack, during this time you may feel left behind, perhaps forgotten

and ignored. Of course, this is not really the case. It is just that Jackie is focused on getting things done, reaching goals, and taking advantage of opportunities, while you, Jack, are drawn to examining your own life, where you are going, and even why you are doing the things you do. Jack and Jackie, the fact that your needs and your ambitions are going in different directions does not make this a compatible combination of cycles. Jackie is out there, full of plans and visions, while Jack is turning inward.

You may find it difficult to communicate, to find common ground, and to get excited about each other's interests.

This is a time, Jackie, when you should not try too hard to get Jack involved with something that interests you. And vice versa. This is a time to keep things simple, and the secret to go through it successfully is to love each other, but don't try to share everything you are doing.

Jack, your Personal Month for June 2011 is 8

Jack, June is an 8 Personal Month in a 2 Personal Year. Now the time is ripe to reach out and receive some of the fruits of your labors. It is a harvesting time, but the rewards are still dependent upon good relations with co-workers. Ask for a promotion, or a raise. Let those in the right positions know that you value the recognition and respect they bestow upon you.

You are in the right state of mind to deal with some tricky personality-clashes; solve communication problems; turn enemies into friends; and in many ways manipulate events through gentle persuasion. The numbers 2 and 8 allow you to handle sensitive issues with tact and diplomacy, as well as with authority and decisiveness. It is a good time for negotiations in every area of your life, personal as well as professional.

Romance is very favorable, but can be spoiled by money issues. On the other hand, domestic affairs can be troublesome and can leave you feeling powerless unless you are willing to cooperate.

Leave such issues alone for now. The domestic scene is better handled next month, when all dealings with relatives are easier and smoother.

Jackie, your Personal Month for June 2011 is 9

Jackie, June is a 9 Personal Month in a 3 Personal Year and brings a bit of moodiness and instability. You have completed many tasks and enjoyed many rewards during the first half of the year, and now you may be feeling a bit empty -- not unlike the fatigue one has the day after a party. It may be a minor case of burn-out, but for reasons you cannot really put your finger on. It is a time to let go of many old things and prepare for the new.

You have had a number of good ideas during the first part of the year. You have been motivated and experienced much excitement, but not all of your ideas proved realistic. Now reality forces you to take a second look at your projects and goals in a new light. It's a weeding out period.

The positive side of the coin is that, by the end of this month, you'll have a clearer perspective on your direction and projects. You'll know where to place your energy during the second half of the year. While you may find yourself going through some ups and downs during the course of this month, you also feel the first trembling of new excitement.

This month also brings a concluding chapter to one or more relationships, which may cause additional emotional turmoil. However, you are going through a time of natural selection; what is

worth holding on to will stay. The rest will go.

Your Personal Month's compatibility for June 2011 is 8 and 9

Jack and Jackie, as is often the case within your relationship, your cycles are influencing you in very different - and not altogether compatible - ways. For Jack, this is a time to get out there and shake some trees, make things happen and reap the rewards. So, the advice for Jack during this cycle is: focus on your career, be aggressive in the pursuit of your success.

For Jackie, this is a time when everything feels shaky and insecure. Jackie needs Jack right now. Jackie needs the human contact, the commitment and the security Jack has to offer more than during most cycles. With Jack's focus on the world outside the relationship, and Jackie needing Jack's attention more than usual, it takes conscious effort from both of you to prevent disappointments and perhaps even resentment from overshadowing your relationship during this time.

Jack, pay attention to Jackie. You too, will experience a time when nothing will seem secure and solid. In fact, your next cycle will bring some of that and you will need Jackie's hand then.

Due to the fact that your cycles always tend to be almost one hundred and eighty degrees opposite, Jack and Jackie, you have probably learned to adjust to each other's needs. This ability to surrender some of your own needs to those of your partner is the most important key to making your relationship a long and happy union.

Jack, your Personal Month for July 2011 is 9

Jack, July is a 9 Personal Month in a 2 Personal Year and is both

emotional and demanding. This is a month to take care of loose ends. Relationships that have been rocky of late will reach critical mass, to be worked out and deepened, or separated entirely. Actually, this is a testing period for relationships in all areas of your life. The 9 and the 2 combination -- both diplomatic, sensitive, and service oriented -- advises that you avoid confrontations. Work with issues quietly and patiently.

At the same time, it is an excellent period to look inward and acknowledge your own needs and desires. Let go of all that you have outgrown, including people, situations, material objects -- anything that you have out-grown. This month is your opportunity to avoid becoming an emotional and/or material packrat. This is the time to empty your cup in order to make room for new gifts coming your way.

This is a transition period. Jack, you will likely experience deep emotions, even nostalgia and melancholy. At times, you may feel exhausted. Yet, such feelings are not altogether unpleasant. There is a cleansing and healing taking place at a very deep and personal level.

You are not entirely conscious of all that is happening, and consequently you may not be able to express your feelings to others. You may sense that you do not fully understand yourself. Give it time and much will be revealed to you.

An opportunity to be involved in a good cause may present itself and your sacrifice will actually help you achieve stability and inner strength.

This is a good time financially. Some payment may be received for something you'd forgotten, or for reasons you do not expect.

This is a month that requires balance: you are feeling emotional yourself, but at the same time you must also focus on the needs of others. If you indulge too much in your own feelings, especially

self-pity, you will suffer more self-doubt than if you remain balanced between your own needs and service to others.

Jackie, your Personal Month for July 2011 is 1

Jackie, July is a 1 Personal Month in a 3 Personal Year. It is a time of dynamism, courage, and eagerness to begin the new. Last month's blues are gone and you feel you are on top of the world. You are more original and creative than at any time of this already creative year.

Many of those in a 3 Personal Rhythm Cycle may finally break out of unrewarding patterns. Some may even make career changes, or start their own businesses. This is not a time to be squeamish in any area of your life -- be it money, career or romance. You may experience an urge to write, paint, or express yourself in some other creative way. By all means, take on the challenge.

If you are not already involved, you may well meet someone special, but the relationship, while intense and passionate, may not be a lasting one.

This is a month that will also bring opportunities to mingle with new acquaintances at social events. You will be outgoing and witty. These are great opportunities to make lasting contacts which will help your career and other endeavors.

A warning to the easily excitable: don't brag about your plans and accomplishments. The effect may backfire.

Your Personal Month's compatibility for July 2011 is 9 and 1

Once every nine years, Jackie and Jack, your relationship will go through a particularly difficult time, a time when only your commitment to your heart will be able to save your relationship.

This is such a time. You will experience turmoil, major disagreements, and arguments intense enough that they will make you feel that your partner is no longer the nice person you once knew. This is due to a shift in the cycles that causes an otherwise comfortable and compatible gap of one - in place for eight years - to suddenly multiply and, almost overnight, increase eight-fold for this one cycle. In addition, this is an emotionally vulnerable time for Jack, exactly when Jackie is less sensitive than usual.

There are few, if any, combinations of cycles as difficult and challenging as this one, but with some conscious effort and a dedication to your heart, the relationship will survive and, because of it, become stronger.

For Jackie, the most important piece of advice is to give Jack plenty of attention, be very sensitive to mood swings, and provide support, even if you feel that Jack is overly emotional. For Jack, the best advice is not to take emotions too seriously. As you have read in the description of your nine-year cycle, you are going through a lot of changes, which require of surrender and acceptance, giving rise to a tendency to get melodramatic and emotional.

Only your hearts can save the day. So, don't listen to your minds. No matter how much sense the mind seems to make, it doesn't have anywhere near the understanding that the heart carries.

Jack, your Personal Month for August 2011 is 1

Jack, August is a 1 Personal Month in a 2 Personal Year. It brings new energy and a kind of restoration of life. There is a feeling of rebirth, excitement, a brightness in the air that wipes away the last residues of last month's bouts of gloominess and self-doubt. You want a change, a challenge, some goal toward which you can direct your enthusiasm.

Well, that's what this month will bring. A new project, career change, something new. Keep in mind, however, that you are planting seeds now that must be nurtured and cultivated over the next year or so. In other words, you must remain focused on this dream to nurture it properly over time.

Don't take chances financially. Your optimism may make you impulsive and vulnerable. Remain cautious and research all propositions brought to you.

Jack, you likely will be introduced to new people and, if you are not already involved, one of them may evolve into a passionate romance. Here, also, the careful approach can save some future heartache. The child in you is very much alive, trusting and believing that everything is what it seems.

While this is a very promising time for romance, keep in mind that a certain amount of rational examination is necessary to protect yourself. Wait until the end of next month before you surrender your heart to the person you are attracted to.

Jackie, your Personal Month for August 2011 is 2

Jackie, August is a 2 Personal Month in a 3 Personal Year. It requires a sensitive and cooperative attitude at work and in all other areas. You are upbeat and optimistic during the early part of this month but an anticipated reward or recognition may go to someone else, much to your dismay.

Your challenge is to set the record straight by using your diplomatic skills. Do not allow anger to alienate you from those involved. Otherwise, relationships go favorably this month.

You are in a position to smooth out some long-standing disagreements between people close to you. Often, these disagreements do not involve you directly. You have the

opportunity to serve as a peacemaker.

Romance is also strongly represented and highly favorable. Jackie, your feelings are strong and your ability to communicate these feelings is enhanced. A good month to spend some extra time with your lover.

Your Personal Month's compatibility for August 2011 is 1 and 2

Jack, you are entering a period of renewal that brings in new energy as well as a change of direction in your personal life and in your career. You feel motivated and aggressive, perhaps even impatient - nothing moves fast enough for you. Jackie, on the other hand, is slowing down somewhat, more concerned about looking for ways to improve relationships with other people. For Jackie, this is a time of networking, finding resources, and aligning with others, a time during which emotions and feelings are more important than usual, and Jackie may well be a bit more vulnerable in that respect.

These cycles are compatible in most ways and they support each other. Jack will be the engine of change and progress, while Jackie will steer and redirect. However, Jack will have to be sensitive and careful and not expect Jackie to be as motivated and driven. In turn, Jackie needs to avoid making mountains out of molehills or letting emotions get the better of common sense. Jack may also have to accept the fact that Jackie is a bit more demanding than usual.

Jack, your Personal Month for September 2011 is 2

Jack, September is a 2 Personal Month in a 2 Personal Year. The number 11 -- referred to in numerology as a Master number, and therefore highly charged, sensitive and intuitive -- is also prominent in your life now. You are extremely perceptive.

Dreams are full of insight, and seemingly irrational and creative ideas should be examined seriously. Your most powerful asset right now is your inner antenna that is picking up vibrations that escape others.

Your relationship with co-workers is fragile, but this is due largely to your enhanced sensitivity. Don't take your emotions too serious. Increased sensitivity magnifies and exaggerates emotions. If you fixate too much on them, you'll do yourself a disservice. Overlook slights and let things pass without retort. People will come around.

Romance is still strong, but you must remain realistic. Last months' excitement and infatuation has given rise to self-examination. As with co-workers, long-term relationships and friendships are fragile right now. Again, be skeptical of your emotions; it's quite possible that you are making mountains out of mole hills.

Cooperation, tact, patience, tolerance, and forgiveness are the key-words to make this month pleasant and successful.

Jackie, your Personal Month for September 2011 is 3

Jackie, September is a 3 Personal Month in a 3 Personal Year for you and your creativity is at an all-time high. You find solutions and discover new ways to improve old methods.

You are communicative and express yourself well. You have a strong urge to write to old friends you haven't seen in some time. This need to re-establish relationships with people may even surprise you.

At work, you discover that it is easy to reach others and influence the way they feel about themselves and their work.

You uplift them and are rewarded with gratitude and support.

This is a time to be social, easy-going, and optimistic.

Your Personal Month's compatibility for September 2011 is 2 and 3

Jack and Jackie, the influences and compatibility of this month's cycle are already incorporated in the compatibility as described in the section of this year's Personal Year cycle. An analysis of this month's compatibility is therefore redundant. You may, however, want to take another look at the description of the compatibility of this year's Personal Year cycle, keeping in mind that the compatibility for this month will reflect the same influences.

Jack, your Personal Month for October 2011 is 3

Jack, October is a 3 Personal Month in a 2 Personal Year, and you need a break. If possible, take some time off to recharge your batteries. You need sunshine, relaxation, fun, and laughter with friends. The only career aspects that are favorably highlighted are those related to creativity, and inspiring and motivating those with whom you work. It's a good time to express the thoughts and ideas that you've been thinking about for the past several months. You can make a favorable impression on superiors, even with ideas that are a little daring.

Avoid stress and working under pressure now. The next five months give you the strength to survive and even prosper under pressure, but avoid stressful situations this month.

Postpone important financial decisions if possible, unless they have to do with "fun projects", such as travel, exercise equipment, creative endeavors, and the like. A modest amount of gambling can be healthy and has a better chance of paying off this month than most other months.

Romance is light and playful. Again, postpone important decisions

in the area of romance.

Jackie, your Personal Month for October 2011 is 4

Jackie, October is a 4 Personal Month in a 3 Personal Year. It requires you to be practical and disciplined in all matters. It brings opportunity as well as limitations.

Career is a high priority and you will find yourself putting in overtime. Details will need to be taken care off. There is very little room for slacking, and everyone may be making demands of you. You may feel frustrated and need to blow off steam.

On the other hand, there is also much opportunity implicit in these demands and you will be pleasantly surprised with the rewards that come your way late in the month. You'll have to respond quickly. You may feel that you are not ready to take on the new challenge that comes with this opportunity, but if you overcome this temporary lack of confidence you will be well rewarded.

This month is demanding in domestic affairs, as well.

There is an ongoing need to watch finances carefully, make decisions concerning your budget, and plan for the future. If you have not been keeping a close eye on your checkbook, Jackie, this month will force you to balance your account and make up for haphazard expenditures of the past.

There's not a whole lot of time for romance this month, but when you can find the time, your partner's love brings perspective and rejuvenation.

Your Personal Month's compatibility for October 2011 is 3 and 4

Jack and Jackie, this is a time when your cycles are pushing you in opposite directions. Actually, this is often the case in your

relationship and does not per se reflect a lack of compatibility. For Jack, this is a time to relax and smell the roses, while Jackie needs to keep focused and maintain a high level of effort. It is important that you don't try to change each other's natural inclination to follow the demands of your respective cycles. Jackie needs to accept the fact that Jack is not as disciplined and ambitious as usual, while Jack should not try to talk Jackie into taking it easy.

Contrary to what one might expect, as a rule of thumb, cycles with a gap of one point, such as three and four or four and five, although moving in different directions, are not per se incompatible. In fact, they often complement each other. Only when couples try too hard to influence each other's lives do these cycles cause stress and unhappiness.

Jack should be allowed to back off a little from the daily grind, while Jackie should be supported and encouraged throughout this rather demanding period.

Jack, your Personal Month for November 2011 is 4

Jack, November is a 4 Personal Month in a 2 Personal Year. It's definitely time to get down to business, to focus on work, and finish anything that's been left undone. Pay attention to the details; don't procrastinate; don't cut corners. Get the picture?

You are laying a foundation for the future, proving to yourself and others that you are worthy of the responsibilities and challenges you have taken on.

Your energy is strong and focused. You can concentrate even when work becomes routine and boring. You are in a crucial stage in your life, but you've got the energy and a take-no-prisoners attitude that will lead you to success.

The best way to balance such determination is to get in touch with

nature: take a walk in the woods; sit at the edge of the lake; feel the earth and your connection with it.

If you have recently become involved in a romance, this month will bring commitment and stability to the relationship.

Jackie, your Personal Month for November 2011 is 5

November is your second 5 Personal Month in a 3 Personal Year, and as before it brings change, excitement, and possibly a financial boost. The 5 brings movement -- travel, a change of residence or office, perhaps.

You will receive a letter or phone call from someone close to you whom you haven't heard from in some time.

This month should be light and playful. Try not to take things too seriously. The down-side of this combination (5 and 3) is in the area of relationships. You may have a tendency to misread others, to be a little insensitive and short on tact. Avoid confrontations in personal matters as well as those related to work. As long as you are upbeat and supportive, friendship and social events are favorable.

As was the case with February of this year, November may also find you in the mood to indulge yourself. Moderation may be hard to maintain, but it's still the best advice.

Your Personal Month's compatibility for November 2011 is 4 and 5

Jack and Jackie, this is a time during which you are under very different influences. It is a time of focus, effort, and sometimes frustration and stagnation for Jack, and a time of change, excitement, and dynamic energy for Jackie.

As a result, Jackie is in a position to help Jack to keep moving

forward and not get too frustrated by the demands of this cycle, and Jack will be able to function somewhat like an anchor for Jackie. Jackie can certainly use the stable influence of Jack during this hectic and unpredictable time.

The most positive effect of this combination of cycles is that their combined forces almost always deliver progress and decisiveness. By the end of this cycle, you will realize that you will have established new goals, and a clearer horizon will make it much easier for you to see where you want to go next.

A negative effect you should be aware of is that you may find yourselves moving in such different directions that, at times, you will feel like strangers. Share your feelings and ideas as much as possible and reach out to each other. Physical closeness and sharing things you both enjoy will help you keep connected on all other levels.

Jack, your Personal Month for December 2011 is 5

Jack, December is a 5 Personal Month in a 2 Personal Year and brings changes and restlessness. You feel a need to be with others, to be social, to laugh and talk and enjoy yourself.

You receive opportunities to travel and will meet a new and exciting person on a trip away from home. This person inspires and motivates you to try something new, to get off the beaten path and take a chance.

This is a month that could bring quite a few surprises, most of which invigorate you. It is a dynamic time that brings information and knowledge from unexpected sources. You want change. You are ready to try a new direction, which causes you to see your career with new eyes. You are in an adventurous mode and willing to take a risk.

This month requires courage and flexibility. There are new opportunities awaiting you and it is up to you to prevent them from slipping by.

Jack, your love relationship is in a vulnerable state and some suppressed anxieties need to be released. You are somewhat impulsive and may need to force yourself to slow down. You experience a bit of self-indulgence. There is a need for self-discipline.

Jackie, your Personal Month for December 2011 is 6

Jackie, December is a 6 Personal Month in a 3 Personal Year. The month stabilizes your work-environment, but requires that you work on your relationships and family affairs. You will be in the unique position to counsel and support someone in your circle of friends and family with immediate and positive result.

It will be one of the most rewarding experiences of this year for you.

A promotion or a raise are possible, as is an increase in your workload.

This month is good for business and financial affairs, particularly for long-term planning and investment. If you are involved in legal affairs, the time is right to surge ahead.

Romance is also favorable. Commitments bring stability. For those who have become involved in a relationship during the course of this year, this is a good month to exchange vows.

This should be a wonderful time for most of those who are in the last stage of this 3 Personal Year. The holidays bring family and friends together, for much love and the rewards of the season.

Your Personal Month's compatibility for December 2011 is 5 and 6

Jack is in a cycle of change and highly charged energy. Jackie is in a cycle of stability and responsibility. Jack's energy is restless and dynamic, Jackie's energy is focused and grounded. Jack is looking around for opportunity and adventure. Jackie is looking at the home and the family. Jackie's attention is focused near by, on the people and things that matter most. Jack's attention is focused away; on work, career, travel and so forth.

These cycles are as opposite as two cycles can be, yet they are not incompatible. Within a relationship, these influences complement and balance each other. However, if they get too inner-twined, they will turn on each other and anger and blame are the most likely result. It is important, now more than at almost any other time, Jack and Jackie, that you don't try to influence each other too much. Live and let live is the slogan for this month. You probably have realized by now that, more often than not, you are experiencing very different cycles. This is an important aspect of your relationship not limited to this particular cycle. It will always be that way. You should accept the fact that you tend to be influenced by very different energies most of your lives. Therefore, you may just want to make the concept of live and let live a family slogan -- for life. But, as you probably have also realized by now, although the influence of your personal cycles always tend to place you at opposite ends of the spectrum, it also means that you complement each other very well and make a great team when you put your minds to it. In particular when it comes to showing a single front to the outside world.

Jack, your Personal Month for January 2012 is 4

Jack, January is a 4 Personal Month in a 3 Personal Year and offers

opportunities for progress in your career. You are inspiring and motivating to yourself and others and know how to express your ideas. Your creativity is enhanced. You find original solutions and manage to implement them. Your co-workers and superiors are impressed. You are optimistic and light-hearted this month which further enhances your work situation.

However, you will have a tendency to be impulsive and may find yourself with your foot in your mouth. Make sure you have the information to back up any claims. You also may have a tendency to procrastinate, which can spoil opportunities and damage your career.

This is a month to be on your toes and take full advantage of a favorable combination of cycles. If you have considered remodeling or redecorating your house, or starting a gardening project, now is the time to get started.

Marriage or a romantic relationship takes on more depth.

Jackie, your Personal Month for January 2012 is 5

Jackie, January is a 5 Personal Month in a 4 Personal Year. You experience some self-doubt related to your work situation. You may question your direction. This frustration will be in the background for most of the year, but this month particularly feels a little bit out of control. However, hidden forces are guiding you carefully and your best approach is to persevere.

Later this month, or early next month, an opportunity will come your way that represents a step forward in your career.

This month also brings some unexpected changes in other areas of your life; possibly an unexpected trip. Be cautious in all financial affairs.

Jackie, your family members demand a lot of attention and much

practical guidance is required from you. They look to you for direction.

Social events are favorable, particularly when they are work-related. You will make a very positive impression on someone who can help you move forward.

If married or involved, maintain harmony and avoid rocking the boat.

Jackie can certainly use the stable influence of Jack during this hectic and unpredictable time.

The most positive effect of this combination of cycles is that their combined forces almost always deliver progress and decisiveness. By the end of this cycle, you will realize that you will have established new goals, and a clearer horizon will make it much easier for you to see where you want to go next.

A negative effect you should be aware of is that you may find yourselves moving in such different directions that, at times, you will feel like strangers. Jack, your Personal Month for February 2012 is 5

Jack, February is a 5 Personal Month in a 3 Personal Year. It will bring changes, excitement, and perhaps some upheaval. You may move, travel, or go on an unexpected trip.

Carefully prepared plans confront the unexpected: events and people you had not expected. Those who are flexible and not afraid of changes will enjoy this month, but those who rigidly try to stick to expectations and refuse to adapt will experience a difficult time in which almost nothing works out, no matter how hard you try.

This is a month to allow the forces of nature to guide your ship. Despite these disruptions, do not give in to impulsiveness or irresponsibility. Make the plans you can; adhere to them as well as possible, and be flexible.

Love is exciting, adventurous, and playful. You uplift your partner and reveal your deeper self. Hidden thoughts and desires that you have kept hidden during the past two years come freely to the surface. Jack, you are open and childlike and for that reason very attractive to the opposite sex.

A word of caution for those who are uncomfortable with this kind of openness: Do not allow fear to turn this wonderful urge to share your thoughts and feelings into a superficial act.

If you have a tendency to self-indulgence, this month's cycles are dangerous. Be cautious and control your appetite for whatever excesses tempt you.

Jackie, your Personal Month for February 2012 is 6

Jackie, February is a 6 Personal Month in a 4 Personal Year. It brings an increase in responsibility and workload. You receive recognition for your efforts and abilities, and probably a financial

increase, as well.

Perhaps even more important is the role friends and family play during the period. Loyalty and a willingness to sacrifice time and energy to your loved ones are needed.

You, in turn, receive comfort and satisfaction from their obvious love for you. It is a time of love, warmth, and a strengthening of the bonds that form the foundation of your life. It is also a good time to start domestic projects, such as minor remodeling and home repair.

If you are not married and are not involved in a relationship, you may meet someone who catches your interest. In this case, the relationship will develop slowly but will endure. Jackie, your focus should be on being dependable and active.

There is no room for procrastination. Your health improves during this time.

Your Personal Month's compatibility for February 2012 is 5 and 6

Jack is in a cycle of change and highly charged energy. Jackie is in a cycle of stability and responsibility. Jack's energy is restless and dynamic, Jackie's energy is focused and grounded. Jack is looking around for opportunity and adventure. Jackie is looking at the home and the family. Jackie's attention is focused near by, on the people and things that matter most. Jack's attention is focused away; on work, career, travel and so forth.

These cycles are as opposite as two cycles can be, yet they are not incompatible. Within a relationship, these influences complement and balance each other. However, if they get too inner-twined, they will turn on each other and anger and blame are the most likely result. It is important, now more than at almost any other time, Jack and Jackie, that you don't try to influence each other too much. Live and let live is the slogan for this month. You probably have realized

by now that, more often than not, you are experiencing very different cycles. This is an important aspect of your relationship not limited to this particular cycle. It will always be that way. You should accept the fact that you tend to be influenced by very different energies most of your lives. Therefore, you may just want to make the concept of live and let live a family slogan -- for life. But, as you probably have also realized by now, although the influence of your personal cycles always tend to place you at opposite ends of the spectrum, it also means that you complement each other very well and make a great team when you put your minds to it. In particular when it comes to showing a single front to the outside world.

Jack, your Personal Month for March 2012 is 6

Jack, March is a 6 Personal Month in a 3 Personal Year. It brings family affairs and issues involving relationships to center stage. You may be asked to sacrifice some of your time and energy to help others. A parent or child may need more care and attention than usual. Answer the call and you will be rewarded with a wonderful experience of love and closeness.

Many people in the 3 Personal Rhythm Cycle will make a deep commitment of love, or even get married this month. At the same time, separation and divorce are also possible, since the theme of this month is commitment to your true feelings. Confrontations are unavoidable in all troubled relationships. While these trends may be difficult and painful, the forces are working at clarifying your relationships.

Your work situation will be rather demanding as more responsibility is transferred to you. However, the reward is right around the corner. (May and June will bring the pay-off.)

This month may be good financially, due to an earlier investment or from payments arriving from previously done work.

Jackie, your Personal Month for March 2012 is 7

Jackie, March is a 7 Personal Month in a 4 Personal Year and should bring some significant changes in your outlook. Indeed, the month is filled with the mystery of life.

You are aware that you are developing spiritually. This is not a good time to deny important issues in your life, or be superficial about significant matters. Your dreams are vivid and if you take some time immediately after awakening to contemplate their meaning, you have the potential to gain some insights that uplifts you and raises your confidence in your life's direction.

You are mentally sharp and creative. You solve problems and gain insight into things that have floated in the background of your consciousness for some time.

It is a period of hard work -- possibly overtime -- juxtaposed with much soul-searching and the need for quiet contemplation.

You may be offered an opportunity to become involved in a new endeavor. Be careful with anything that promises a fast return. This year, long-term projects are far more favorable than get-rich-quick-schemes, or short-term gambles.

Your need for peace and quiet during this month may make your friends and family members wonder whether you have some problem that you are not willing to share.

Your Personal Month's compatibility for March 2012 is 6 and 7

Jack and Jackie, you are experiencing very different cycles.

On one hand, the influences of the six and the seven complement each other very well. On the other, they create such different needs you may find that there is little common ground between the two of you. You may find that you disagree on just about everything; how to spend your vacation, what kind of car to buy, which of your friends to invite, and so forth. Jack is reaching out to people, Jackie is avoiding them. Jack is more extrovert than usual, Jackie is seeking peace and quiet.

A positive influence during this time is found in the fact Jack more tolerant and giving, willing to sacrifice here and there to accommodate Jackie. This is an important and much needed factor to make this a harmonious time. Jackie is not very patient right now and doesn't want to be bothered.

Jack, it is important to remember that if Jackie seems a bit cool and distant, this has nothing to do with the relationship. Jackie is doing some soul searching and needs to be given some space and distance.
